CASK & BARREL
WELCOME HOME

OUR STORY

It's your home away from home. Our theme is 'Ultimate Comfort' from our cozy, warm decor to our extensive beer, wine, and spirits menu to our home cooked food. We believe in inviting new and old friends into our place and having them leave as family. Every fixture has a story, every staff has a welcoming smile. Our music is eclectic, with old songs you could sing along to and new ones you will be asking "who is this?"

We are locally owned and believe in Edmonton's Downtown community. We strive to contribute to the growth by creating a unique venue where people can meet, mingle, and unwind. Our staff will ensure you have a great experience, whether you are solo or coming in as a large group for a special event.
