

July 18, 2017

The Board of Directors of the Walker Basin Conservancy (WBC) would like to extend sincere and heartfelt thanks to the dozens of entities and individuals whose collective work, dedication and partnership over the course of many years have made possible today's establishment of the Walker River State Recreation Area in Nevada. These include:

AMP Consulting	Nevada Department of Wildlife
ASM Affiliates	Nevada Legislature 2017-2018
Raymond C. Avansino	Mentor Law Group
Elmer Bull	Chuck Nozicka Consulting
Rick Christian Surveying	Open Range Consulting
Deborah Day	National Fish and Wildlife Foundation
Desert Research Institute	The Nature Conservancy, Nevada Chapter
Design Workshop	Ernie and Robin Paine
Farr West Engineering	Former U.S. Senator Harry Reid and staff
Great Basin Bird Observatory	Laura Richards
Hilton Family Trust	Governor Brian Sandoval and staff
Lyon County	Title Service and Escrow Company
Mineral County	U.S. Bureau of Reclamation
Nevada Department of Conservation and Natural Resources	University of Nevada-Reno
Division of State Lands	Walker River Irrigation District
Division of State Parks	WestWater Research
	E.L. Wiegand Foundation

Special thanks as well to the dedicated staff at WBC who have successfully shepherded this effort through many twists and turns to leave an incredible legacy for the State of Nevada, the Walker Basin Restoration Program, and the people and resources of the Walker River Basin.

On behalf of the WBC Board,

David Yargas
Board President
