What to Pack

NOTES

- Layers are great year-round—we work indoors and outdoors all year, rain or shine.
 - Be sure to pack clothing you don't mind getting dirty, muddy, painted on, etc.
 - If you forget something, you **WILL** be fine without it. . . . and we have extras.
 - If you have **any** questions about what to bring, what not to bring, or anything about your trip, give us a call!
-

CLOTHING

- T-shirts, socks, underwear
