

Michael Inzlicht, PhD

A. BIOGRAPHICAL INFORMATION

Personal

University of Toronto Scarborough
Department of Psychology
1265 Military Trail
Toronto, Ontario M1C 1A4 Canada

Office: (416) 208-4826
e-mail: michael.inzlicht@utoronto.ca
website: www.michaelinzlicht.com

Academic Positions and Appointments

Department of Psychology, University of Toronto Scarborough Research Excellence Faculty Scholar, 2016-2019 Professor, 2015 Associate Professor, 2010-2015 Assistant Professor, 2005-2010	2005-present
Visiting Professor, La Sapienza University of Rome Professor, June-July 2017	2017
Rotman School of Management, University of Toronto Cross-appointed Professor, 2013	2013-present
Behavioural Economics in Action (BEAR), University of Toronto Research Fellow, 2016	2016-present
Rotman Research Institute, Baycrest Hospital Associate Scientist, 2010	2010-present
School of Public Policy and Governance, University of Toronto Affiliate Faculty, April 15, 2011	2011-2015
Department of Psychology, Wilfrid Laurier University Assistant Professor, 2004	2004-2005

Education

Post-doctoral fellow, Department of Applied Psychology, New York University Supervisor: Joshua Aronson	2001-2004
PhD, Experimental Psychology, Brown University Dissertation: <i>Stereotype threat and women and math</i> Supervisor: Talia Ben-Zeev	1999-2001
Sc. M, Experimental Psychology, Brown University Thesis: <i>Minority status and test performance</i> Supervisor: Talia Ben-Zeev	1997-1999
B. Sc., Anatomical Sciences, minor in Psychology, McGill University	1991-1994

Professional Activities

▪ Associate Editor, Journal of Experimental Psychology: General	2011-2016
▪ Editorial Board, Journal of Personality and Social Psychology	2014-present
▪ Editorial Board, Group Processes and Intergroup Relations	2010-present
▪ Editorial Board, Social Neuroscience	2008-present
▪ Editorial Board, Personality and Social Psychology Bulletin	2007-present
▪ Editorial Board, European Journal of Social Psychology	2009-2016
▪ Editorial Board, Journal of Experimental Social Psychology	2009-2013
▪ Editorial Board, Psychological Science	2009-2011
▪ Editorial Board, Frontiers in Human Neuroscience	2008-2011
▪ Editorial Board, Journal of Educational Psychology	2005-2007

Awards

▪ NeuroLeadership Application of Science Award (Best Paper of 2016)	2017
▪ University of Toronto Scarborough Research Excellence Faculty Scholar	2016-2019
▪ Wegner Theoretical Innovation Prize, Society for Pers. & Soc. Psych. (SPSP)	2015
▪ Principal's Research Award, University of Toronto Scarborough	2015
▪ Professor of the Year, The Underground, official UTSC student newspaper	2014
▪ Best Social Cognition Paper Award, International Social Cognition Network (ISCON)	2013
▪ Fellow of the Association for Psychological Science (APS)	2013
▪ Fellow of the Society for Personality and Social Psychology (SPSP)	2013
▪ Early Researcher Award, Ontario Ministry of Research and Innovation	2009
▪ Fellow of the Society for Experimental Social Psychology (SESP)	2008
▪ Research Time Stipend, Social Sciences and Humanities Research Council	2008-2011
▪ Most Valuable Professor, Psychology Graduate Student Association (U of Toronto)	2007
▪ Louise Kidder Early Career Award, Society for the Psychological Study of Social Issues	2006
▪ Fellow of the National Academy of Education/Spencer Foundation	2004-2006
▪ Student Fellow, Summer Institute in Social Psychology, University of Colorado	2003
▪ Society for Experimental Social Psychology, Dissertation Award, finalist	2002
▪ Society for Personality and Social Psychology, Travel Award	1999, 2000
▪ Ethnic Minority Concerns Research Award, American Psychological Society (APS)	1999
▪ Student Research Competition Award, American Psychological Society (APS)	1999

Professional Affiliations

- Association for Psychological Science
- Canadian Psychological Association

- Society for the Study of Motivation

Citizenship

Canadian

Languages

English, French, Hebrew

B. ACADEMIC HISTORY

Research Interests

- Self-Control, Cognitive Control, Executive Function
- Social Neuroscience, Anterior Cingulate Cortex, Error-Related-Negativity
- Decision-making
- Stigmatization, Prejudice & Discrimination

Research Awards & Contracts

P.I., Social Sciences and Humanities Research Council of Canada <i>Predicting population level self-control from Facebook: Lessons about self-control from big data</i> Total Amount: \$55,950	2016-2018
P.I., Social Sciences and Humanities Research Council of Canada <i>What is ego depletion? Testing the process model of self-control failure</i> Total Amount: \$316,603	2014-2019
P.I., Natural Sciences and Engineering Research Council of Canada <i>Is negative affect necessary for cognitive control? Toward an affect alarm framework of control</i> Total Amount: \$166,930	2014-2019
Collaborator, Social Sciences and Humanities Research Council of Canada Insight Development Grant <i>Pathways to success: Examining the mechanisms underlying greater progress in self-concordant goals</i> Total Amount: \$57,140	2013-2014
Co-Applicant, Social Sciences and Humanities Research Council of Canada Partnership Grant <i>Cultural Evolution of Religion Research Consortium</i> Total Amount: \$3,000,000	2012-2018

P.I., Defence Research and Development Canada <i>Cultural Counterintuitiveness</i> Total Amount: \$55,000	2012-2013
P.I., Social Sciences and Humanities Research Council of Canada <i>Can stereotype threat impair decision-making? Exploring the neuroaffective mechanisms of stereotype threat spillover</i> Total Amount: \$95,270	2011-2014
P.I., Defence Research and Development Canada <i>The interplay of motivation, identification, and internalization in intergroup prejudice and conflict</i> Total Amount: \$100,000	2011-2012
P.I., Ontario Ministry of Research and Innovation <i>Stigma and decision-making: Does coping with prejudice lead to bad decisions?</i> Total Amount: \$150,000	2009-2014
P.I., Social Sciences and Humanities Research Council of Canada <i>Stereotype threat spillover: How stereotype and social identity threat impact self-control, decision-making, and neurophysiology</i> Total Amount: \$107,478	2008-2011
P.I., Canada Foundation for Innovation, Infrastructure Operating Fund <i>Coping with stigma: The neural, physiological, and behavioural consequences of prejudice</i> Total Amount: \$13,000	2008-2011
P.I., Canada Foundation for Innovation, The Leaders Opportunity Fund <i>Coping with stigma: The neural, physiological, and behavioural consequences of prejudice</i> Total Amount: \$124,973	2007-2011
New Staff Matching Grant, Connaught Foundation, University of Toronto <i>Losing Control: Investigating the Neuropsychological Consequences of Prejudice</i> Total Amount: \$25,000	2006-2008
P. I., Social Sciences and Humanities Research Council of Canada <i>The inaccurate self: How being the target of discrimination hurts self-knowledge</i> Total Amount: \$82,951	2005-2008
National Academy of Education/Spencer Fellowship <i>Losing self-control: The impact of the gender, racial, or ethnic makeup of a classroom</i> Total Amount: \$66,666	2004-2006
P.I., Weiss Innovative Research Grant, American Psychological Foundation <i>Threatening Environments: How the gender makeup of a classroom affects self-control</i> Total Amount: \$13,333	2004-2006
P.I., Grant-in-Aid Program, Society for the Psychological Study of Social Issues <i>Threatening Intellectual Environments: Consequences and Interventions</i> Total Amount: \$2,660	2003-2004

C. SCHOLARLY AND PROFESSIONAL WORK

Citation Count ($h_{\text{index}} = 43$); work below has been cited over 7,900 times

Books

D. LIST OF COURSES

Undergraduate Courses

<i>Psychology of Prejudice</i> University of Toronto Scarborough, Department of Psychology	2006-present
<i>Current Topics in Social Psychology</i> University of Toronto Scarborough, Department of Psychology	2006-present
<i>Psychology of Prejudice</i> Wilfrid Laurier University, Department of Psychology	2005

Graduate Courses

<i>Psychology of Self-Regulation</i> University of Toronto, Department of Psychology	2015
<i>Fundamentals of Social Psychology</i> University of Toronto, Department of Psychology	2008-2010
<i>Graduate Seminar in Social Psychology</i> New York University, Department of Applied Psychology	2003

Post-Doctoral Supervision

Daniel Randles, University of Toronto Topic: <i>Big Data and Self-Control</i>	2015-2017
Blair Saunders, University of Toronto Topic: <i>Emotion, cognition, and the brain</i>	2013-2017
Vincent Pillaud, University of Toronto Topic: Social status and responses to unfairness	2014-2017
Marina Milyavskaya, University of Toronto Topic: <i>Autonomy, goal setting, and self-control</i>	2013-2014
Jenifer Gutsell, University of Toronto Topic: <i>Emotion and control</i>	2012-2013
Marie Good, University of Toronto Topic: <i>Religion and executive control</i>	2011-2013
Nikki Mann, University of Toronto Topic: <i>Motivation and intergroup relations</i>	2011-2012
Lisa Legault, University of Toronto Topic: <i>Motivation to control prejudice</i>	2009-2012

Graduate Thesis Supervision

Amanda Ferguson, Univ of Toronto Clinical Psych, Master's & Doctoral Thesis Topic: <i>Mindfulness and goal pursuit</i>	2015-present
Hause Lin, University of Toronto, Master's & Doctoral Thesis Topic: <i>The neuroeconomics of self-control</i>	2015-present
Nathaniel Brown, University of Toronto, Master's & Doctoral Thesis Topic: <i>The necessity of negative affect for executive function</i>	2013-present
Zoe Francis, University of Toronto, Master's & Doctoral Thesis Topic: <i>Ego depletion and strength of belief</i>	2013-present
Gesa-Kristina Petersen, University of Munich, GER, Visiting Graduate Student Topic: <i>Neural Implementation of Financial Decision-Making</i>	2014-2015
Tracy Cheung, University of Utrecht, NL, Visiting Graduate Student Topic: <i>Self-control and the use of mental heuristics</i>	2014
Nicholas Hobson, University of Toronto, Master's & Doctoral Thesis Topic: <i>Ritual, intergroup relations, and prosocial behavior</i>	2012-2017
Jeff Robinson, University of Toronto, Outside Project Topic: <i>Neural correlates of deontological and utilitarian moral reasoning</i>	2012-2015
Chad Danyluck, University of Toronto, Outside Project Topic: <i>Mindfulness meditation and stereotyping</i>	2012-present

Xiaowen Xu, University of Toronto, Outside Project Topic: <i>Moral behavior as predicted by the ERN</i>	2011-2016
Shona Tritt, University of Toronto, Doctoral Thesis Topic: <i>Emotional contributors to political ideology</i>	2010-2015
Rimma Teper, University of Toronto, Master's & Doctoral Thesis Topic: <i>Differentiating moral action from moral judgement</i>	2008-2014
Jennifer Gutsell, University of Toronto, Master's & Doctoral Thesis Topic: <i>The role of the mirror neuron system in outgroup bias</i>	2007-2012
Alexa Tullett, University of Toronto, Master's & Doctoral Thesis Topic: <i>Empathy as an ambivalent emotion</i>	2007-2012
Jacob Hirsh, University of Toronto, Outside Project Topic: <i>Uncertainty can be more powerful than negativity</i>	2006-2010
Sonia Kang, University of Toronto, Outside Project Topic: <i>The development of stigma consciousness in children</i>	2006-2010
Kathleen Fortune, University of Toronto, Doctoral Thesis Topic: <i>The concealable stigma scale</i>	2006-2008
Belle Derks, University of Leiden, NL, Visiting Graduate Student Topic: <i>Neural bases of stereotype threat</i>	2006
Jacqueline Matthews, University of Toronto, Outside Project Topic: <i>Strategic identity: Using identity to aid and abet performance</i>	2006-2007

Undergraduate Thesis Supervision

Devin Bonk, University of Toronto Scarborough, Independent Study Topic: Neural Bases of Ritual	2015-2016
Nirusha Jebanesan, University of Toronto Scarborough, Independent Study Topic: Goal Setting and Academic Performance	2015-2016
Devin Bonk, University of Toronto Scarborough, Independent Study Topic: <i>Ritual and Approach Motivation</i>	2014-2015
Frank Feng, University of Toronto Scarborough, Independent Study Topic: <i>Gratitude and Self-Control</i>	2014-2015
Jalini Jeyaraman, University of Toronto Scarborough, Independent Study Topic: <i>Competition and Gender</i>	2014-2015
Veerpal Bambrah, University of Toronto Scarborough, Independent Study Topic: <i>Mindfulness and Attentional Disengagement</i>	2013-2014
Filippo Rasso, University of Toronto Scarborough, Independent Study Topic: <i>The Neuroscience of Social Class</i>	2012-2013
Matthew Wilmot, University of Toronto Scarborough, Honours Thesis Topic: <i>Stereotype threat spillover and interpersonal interactions</i>	2011-2012

Alex Blagrove, University of Toronto Scarborough, Honours Thesis Topic: <i>Ego-depletion and responses to approach and avoidance</i>	2010-2011
Timour Al-Khindi, University of Toronto Scarborough, Independent Study Topic: <i>Misattributing the error-related negativity</i>	2010-2011
Daniel Jabrayan, University of Toronto Scarborough, Independent Study Topic: <i>Avoidance motivation predicts helping</i>	2010-2011
Meng Li, University of Toronto Scarborough, Honours Thesis Topic: <i>Stigma and sensitivity to non-verbal leakage</i>	2009-2010
Timour Al-Khindi, University of Toronto Scarborough, Independent Study Topic: <i>The anterior cingulate cortex and anxiety</i>	2009-2010
Nader Bebawy, University of Toronto Scarborough, Independent Study Topic: <i>Religion, explanation, and meaning</i>	2009-2010
Marcella Wijaya, University of Toronto Scarborough, Honours Thesis Topic: <i>Intergroup romantic relationships</i>	2008-2009
Achala Rodrigo, University of Toronto Scarborough, Independent Study Topic: <i>Religion and the anterior cingulate cortex</i>	2008-2009
Marcella Wijaya, University of Toronto Scarborough, Independent Study Topic: <i>The embodiment of academic performance</i>	2008
Lisa Genore, University of Toronto Scarborough, Independent Study Topic: <i>The development of stigma consciousness</i>	2008
Terry Ng, University of Toronto Scarborough, Independent Study Topic: <i>Can stereotype threat lead to increased aggression?</i>	2007
Jessica Remedios, University of Toronto Scarborough, Independent Study Topic: <i>Embodiment: Psychological, philosophical, & alternative approaches</i>	2007
Jeff Wong, University of Toronto Scarborough, Independent Study Topic: <i>Modern anti-Semitism: The effects of individual differences and extreme anti-Israel sentiments</i>	2007
Winnie Ip, University of Toronto Scarborough, Independent Study Topic: <i>The Impact of math stereotypes on eating</i>	2006
Kathryn Taylor, University of Toronto Scarborough, Independent Study Topic: <i>Guilt by association: How being White means being racist</i>	2006
Elmar Gardizi, University of Toronto Scarborough, Independent Study Topic: <i>Are Muslim women more susceptible to stereotype threat?</i>	2006
Lisa Hickman, Wilfrid Laurier University, Honours Thesis Topic: <i>Minority status impairs self-regulation</i>	2004-2005

Other Teaching

Demystifying Social Neuroscience
University of Leiden, Kurt Lewin Institute

February 2007

E. SERVICE

Thesis Committees

- Dissertation committee, Nicholas Hobson, University of Toronto 2015-2017
- Dissertation committee, Chad Danyluck, University of Toronto 2015-2017
- Masters committee, Amanda Ferguson, Clinical Psychology, Univ of Toronto 2015-2017
- Masters Examiner, Thora Bjornsdottir, University of Toronto 2015
- Masters committee, Laurence Dinh-Williams, Clinical Psychology, Univ of Toronto 2014-2016
- Masters committee, Philip Desormeau, Clinical Psychology, Univ of Toronto 2014-2016
- Masters committee, Katharine Gardhouse, Clinical Psychology, Univ of Toronto 2013-2015
- Dissertation Examiner, Dan Lee, University of Toronto 2014
- External Dissertation Examiner, Robert Goodman, Virginia Commonwealth Univ. 2014
- External Dissertation Examiner, Paul Norman, Murdoch University, Australia 2014
- External Dissertation Examiner, Marie Mazerolle, Université de Poitiers, France 2013
- Dissertation committee, Xiaowen Xu, University of Toronto 2012-2016
- Dissertation committee, Lesley Dookey, OISE, U of Toronto 2012-present
- Dissertation committee, Shona Tritt, University of Toronto 2011-present
- Dissertation committee, Rimma Teper, University of Toronto 2011-present
- Masters committee, Nicholas Hobson, University of Toronto 2012-2013
- Masters committee, Amanda Sharples, University of Toronto 2012-2013
- Masters committee, Chad Danyluck, University of Toronto 2011-2012
- Masters Examiner, Xiaowen Xu, University of Toronto 2011
- Dissertation committee, Laura Girz, University of Toronto 2010-present
- Dissertation committee, Jennifer Gutsell, University of Toronto 2010-2012
- Dissertation committee, Alexa Tullett, University of Toronto 2010-2012
- Dissertation committee, Hanah Chapman, University of Toronto 2008-2012
- Dissertation committee, Terry Borsook, University of Toronto 2008-2012
- Dissertation committee, William Huggon, University of Toronto 2007-2012
- Dissertation committee, Sonia Kang, University of Toronto 2008-2010
- Dissertation committee, Jacob Hirsh, University of Toronto 2008-2010
- Masters committee, Rimma Teper, University of Toronto 2008-2009
- Dissertation Examiner, Jay Van Bavel, University of Toronto 2008
- Masters committee, Jennifer Gutsell, University of Toronto 2007-2008
- Masters committee, Alexa Tullett, University of Toronto 2007-2008
- Masters committee, Bonnie Cheng, University of Toronto 2006-2008
- Masters committee, Jennifer Gutsell, University of Konstanz 2006-2007
- Dissertation committee, Dominic Packer, University of Toronto 2006-2007
- Masters committee, Sonia Kang, University of Toronto 2006-2007
- Dissertation committee, Belle Derks, Leiden University 2005-2007
- Masters committee, Mervin Whitfield, Wilfrid Laurier University 2005
- Masters committee, Jillian McDonald, Wilfrid Laurier University 2004-2005
- Dissertation committee, Temah Mollison, New York University 2001-2002

Administrative Positions within the University

Social Psychology Search Committee
University of Toronto Scarborough, Department of Psychology

2015

Graduate Director, Acting University of Toronto, Department of Psychology	2015
Graduate Committee University of Toronto, Department of Psychology	2014-present
Social Psychology Search Committee University of Toronto Scarborough, Department of Psychology	2014-2015
Promotions Committee, SiSi Tran University of Toronto Scarborough, Department of Psychology	2014-2015
Tenure Committee, Emily Impett University of Toronto Mississauga, Department of Psychology	2014-2015
Focus Group Discussant, Memorandum of Agreement University of Toronto, President's Office	2013-2014
Urban Studies Search Committee, Dean's Designate University of Toronto Scarborough, Department of Urban Planning	2013-2014
Social Psychology Search Committee University of Toronto Scarborough, Department of Psychology	2013-2014
Urban Studies Search Committee, Dean's Designate University of Toronto Scarborough, Department of Asian Studies	2013-2014
Asian Studies Search Committee, Dean's Designate University of Toronto Scarborough, Department of Asian Studies	2012-2013
Third-Year Review Committee Member, Anthony Ruocco University of Toronto Scarborough, Department of Psychology	2012
Colloquium Committee, Chair University of Toronto Scarborough, Department of Psychology	2011-present
New Student Orientation, Faculty Presenter University of Toronto Scarborough, Department of Psychology	2011-present
Research Advisory Board University of Toronto Scarborough, Office of VP Research	2011-2012
Merit Committee University of Toronto Scarborough, Department of Psychology	2010
Designated Undergraduate Ethics Committee University of Toronto Scarborough, Department of Psychology	2009-2011
Cognitive Neuroscience Search Committee University of Toronto Scarborough, Department of Psychology	2009-2010
Social Psychology Search Committee University of Toronto Scarborough, Department of Psychology	2008-2009
Academic Appeals Committee Member University of Toronto Scarborough, Governance Office	2007-2009

Social Personality Abnormal Area Faculty Co-ordinator University of Toronto, Graduate School, Department of Psychology	2006-2009
Social Psychology Reading Group Founder & Co-ordinator University of Toronto, Graduate School, Department of Psychology	2005-2007
Social Psychology Search Committee University of Toronto St. George, Department of Psychology	2005-2006

Administrative Positions outside the University

Conference Co-Chair Society for Personality and Social Psychology (SPSP)	2014-2017
Bylaws Committee Society for Psychophysiological Research (SPR)	2015-present
