The **GARBAGE and RECYCLING** contract we had ended December 31, 2017. Bids were taken and the new five year contract was given to Northern Illinois Disposal. A couple changes were made, that you need to be aware of:

Garbage & Recycling Totes have been provided

Yard Waste will be picked up April – November by Northern Illinois Disposal.

If you did not receive a tote, and feel you should have, contact Cindy, so that she can check the list. REMEMBER that no other company totes will be emptied. Please review the included flyer for further information.

Please review all information sent with this UTILITY Bill. Also watch our website for information which comes up during the quarters.
