

REFUND POLICY

You can schedule, change or cancel online contributions at any time prior to the contribution being processed. Once an online contribution has been processed, it cannot be cancelled and is considered non-refundable by the IRS, who governs the tax exempt status of the church. If you feel there has been an error in connection or processing of a donation please contact Ruth Turbeville at 940-464-7337. Refunds for events that are not tax deductible will be handled by the ministry in charge of that event.
