EXPERIENCE

FREELANCE DESIGN CONSULTANT

Self-Employed | Jan 2015 - Present

Up and coming designer with a knack for creating unique solutions. Provide services and collaborate with companies, start-ups, entrepreneurs, fellow designers, industrial engineers, technicians, fabricators, and manufacturers.

INDUSTRIAL DESIGN INTERN

Techtronic Industries | Aug 2016 - April 2017

Anderson, South Carolina

Assist studio industrial designers with conceptualization and development of the products, this include brainstorming, 2D/3D visualization, form studies, architecture layout proposals, product graphic, and final product documentation.

ID STUDENT TECHICIAN

University of Washington | Sept 2015 - June 2016

Seattle, Washington

Duties range from assorted cleaning and organization to machine maintenance and material preparation. In addition to these general tasks, assist in monitoring the Industrial Design students during extended shop hours in the woodshop as well help with specific needs for their projects.

MAKER & SPACE PLANNING COORDINATOR

University of Washington | March - June 2015

Seattle, Washington

Acting as co-liaison between IDSA, Western Washington ID, Art Academy, and the UW ID program. Organizational lead for the UW ID junior class in Maker & Planning Group; Lead group in term of production of podiums for the products to display on and set up the space for the show.

DESIGN INTERN

Codor Design | June - Sept 2012

Seattle, Washington

Worked with Tamara Codor, a classically trained three-dimensional artist and painter, with the production of her line of luxury goods. Learned how to approach every new project as a chance to push the boundaries of form and composition, while retaining a refined elegance.
