

Seeking an Incredible Osteopath

FIX is East London's brightest multi-disciplinary clinic and we're seeking a talented and driven osteopath to join our growing and vibrant team. Situated within the Olympic Park, East Village, Stratford, FIX has been helping people achieve their goals for 9 years.

- Post graduate training essential
- Proven clinical experience with a broad patient base
- The desire to be part of an inter-referring team
- Willingness to share your expertise with your peers

Become a part of the FIX team and enjoy a great working environment, the chance to share knowledge and expertise with a broad, experienced clinical team, excellent remuneration and benefits and access to a loyal and established client base.

Fix offers flexible working hours during the week and must be willing to work at least one weekend shift per week.

To apply, please send your CV to helen@fixlondon.co.uk along with a short note saying why you'd be excited to join the FIX team.
