From the Gala Chair

Dear Friend of Oakland Strokes,

Since 1974, Oakland Strokes has welcomed athletes from around the Bay to participate in our youth rowing programs. Our mission is to provide student-athletes of all backgrounds and abilities the opportunity to row, develop and commit to a nationally competitive team. Our program fosters strength of character, a strong work ethic, self-confidence, and respect for others. As a 501(c)3 organization, we aim to teach rowing to the Oakland community to share this life-changing experience with all who will benefit from our club.

In recognition of our 50th anniversary, we ask for your support of our first-ever gala and auction. The event is scheduled for January 27, 2024, at BLOC 15 in Oakland. The proceeds will support the purchase of a new Oakland Strokes truck that will allow us to trailer our boats to regattas safely and reliably!

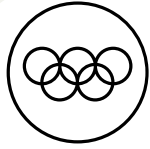

This gala will be a significant milestone for our club, so please mark your calendars and we hope you can plan to attend. Alumni and their families are all invited, making it an unmissable event.

The following pages include details on Event Sponsorship Opportunities and Auction Donation requests. The entire program appreciates the ongoing generosity of the Oakland Strokes community. Do not hesitate to contact me with any questions. We look forward to celebrating 50 years of rowing with you. GO STROKES!

Sincerely,

Oakland Strokes 50th Anniversary Gala Chair

Auction Donations

We seek a wide variety of donations to appeal to our current and alumni rowers and their families, our coaches, and community members. Examples of high-interest items include:

- Vacation homes and travel experiences
- Signed memorabilia
- Tickets to sporting events
- Fine wines and dining experiences
- Donations of products, services, or gift cards
- Party host for parents or athletes
- Gala sponsorship or in-kind donation to the event

Please submit the attached form by **January 15, 2024**, to be included in our program. Thank you for your generosity and support, and GO STROKES!
