BIO/HISTORY OF VEGAN FAIRE

WHERE IT ALL BEGAN.....

Vegan Faire started back in 2013 by Lynda Santos, Chef of Healthy Junk. What began as a humble fair(e) with only 40 vendors on Center Street in CTR CITY Anaheim has quickly evolved into a staple vegan event in just the past three years. Now in its fourth year, Vegan Faire hosts an average of 80 vendors and 6,000 attendees. This fair(e) celebrates a lifestyle and seeks to increase awareness in the ever growing CTR CITY Anaheim community.

THE HEART BEHIND IT.....

Lynda Santos has been living a vegan lifestyle for over 20 years. To her, it's more than just eating healthy, it's eating consciously and caring for all living beings in the process. While she could have stopped with simply changing her eating habits, Lynda decided to go further and became a vegan chef. Healthy Junk is an award-winning vegan restaurant, and we have Lynda Santos to thank!
