Summit Salon Academy-Anderson  
Campus Security Act Information Disclosure  
Under the Crime Awareness Campus Security Act of 1990, the Academy is required to provide you with the following safety information about our campus. All criminal actions must be reported to an educator or owner immediately. That individual will assist the student or guest in reporting the crime to the local police or other appropriate security force. The Academy keeps a Daily Crime Log. The log is kept online and maintained by our school director. The information collected in the Daily Log is compiled and reported to the Department of Education in our Annual Campus Safety and Security Survey. A Crime Statistics Report Form is kept in our Educators office and in the Directors office to ensure that accurate reporting is being entered in our crime log. The Educators and staff have been instructed on completion of the forms.

The facilities are open Monday through Saturday according to assigned class/salon area schedules. The building may also be open for educational classes for licensed professionals in cosmetology or to groups securing the use of the facilities through the owner. **Emergency Procedures**

**Timely Warning**
Notification is provided in a suitable manner to students, staff, and salon area guests or community neighbors if necessary, of an impending or occurring emergency situation.

Emergency Response and Evacuation Procedures

Evacuation Guidelines

There may be conditions under which you will decide to get away or there may be situations when you are ordered to leave.

Follow these guidelines for evacuation:

- If you have a car, keep a full tank of gas in it if an evacuation seems likely.
- If you have a car, keep a half tank of gas in it at all times in case of an unexpected need to evacuate. Gas stations may be closed during emergencies and unable to pump gas during power outages.
- Become familiar with alternate routes and other means of transportation out of your area.
- Leave early enough to avoid being trapped by severe weather.
- Follow recommended evacuation routes. Do not take shortcuts; they may be blocked.
- Be alert for road hazards such as washed-out roads or bridges and downed power lines.
- Do not drive into flooded areas.
- If you do not have a car, plan how you will leave if you have to. Make arrangements with family, friends or your local government.

If Time Allows

- Call or email your family.
- Secure Summit Salon Academy by closing and locking doors.
- Unplug electrical equipment such as radios, televisions and small appliances. Leave freezers and refrigerators plugged in unless there is a risk of flooding. If there is damage to Summit Salon Academy and you are instructed to do so, shut off water, gas and electricity before leaving.
- Leave a note telling others when you left and where you are going.
- Wear sturdy shoes and clothing that provides some protection such as long pants, long-sleeved shirts and a cap.

In Case Of Serious Accident or Illness

- Call 9-1-1
- Do not move sick or injured person(s).
- Be careful to avoid personal contact with any body fluids such as blood, vomit, or saliva.
- Stay with the victim and reassure her/him that help is on the way.

Power Failure

- Remain calm
- Do not move
- Await instructions from Director or Safety Committee

If instructed to evacuate, use designated emergency exits ONLY.

- The SAFETY COMMITTEE MEMBERS will identify / determine the extent of the emergency and enact appropriate means of notifications.
- The SAFETY COMMITTEE MEMBERS will respond by assisting any victims(s), respond to/or contain the emergency at hand and diffuse the dangerous situation if possible.
- The SAFETY COMMITTEE MEMBERS will determine the extent of information that needs to be released and will disseminate to staff, students, and guests / public as appropriate.
- In the event of a dangerous situation and without delay, the SAFETY COMMITTEE MEMBERS will assess the situation and will contact authorities or determine the course of action in order to protect the entire academy population.
- SAFETY COMMITTEE MEMBERS will determine means of notification through but not limited to verbal communications, intercom broadcast system, cell phones, emails and text, social media and signage to deliver emergency messages. If necessary a member of the SAFETY COMMITTEE MEMBERS will notify the radio and local television stations.
- **The verbal/written communication will include the type or types of emergency and steps for the emergency situation.**

In the event of an emergency, staff and students will be notified by staff members by either verbal communication (for students currently in the building), or written communication (for students not in attendance) to notify them of the particular situation. For written communication, an attempt will be made to email or text the student using the Smart Management System and/or a message will be posted via the social networking site, Facebook.
Summit Salon Academy will provide the Fire Department and the Police Department with a floor plan of the building. The administration will also notify these agencies of any new construction, long-term functions or any other events that may affect routing or access to the campus. In addition to floor plans, the Police Department, Fire Department, and other local emergency officials are encouraged to and do tour and walk through the campus regularly.

At least annually during student training, the staff will conduct an announced or unannounced test. The test(s) are documented by dates, times, and whether the exercise was announced or unannounced. Annually the Anderson Police Department will speak on practicing safety for staff and students members. Staff and students complete a tour the academy, locating fire extinguishers and exits. They are informed of what to do in case of an emergency.

Roll call will be taken as soon as reasonably possible to ensure all staff and students have been accounted for at the time of the emergency.

For closing and delays, a notification will be reported to Channel 13 news and is posted on their website at [www.wthr.com](http://www.wthr.com).
