Job Demand in Cosmetology/Related Fields
Since 1990, NACCAS has commissioned several Job Demand Surveys, to provide quantitative data on cosmetology careers, earnings potential, and job openings. The most recent survey, completed in May 2007, compiles data from 6,203 salons responding to a national survey. The survey indicates that the demand for well trained professionals in the beauty industry outstrips the supply. The NACCAS Survey results indicate that salons in Indiana plan to hire 5,394 new employees in the next twelve months. The average annual salary for a salon professional in Indiana is $35,458. This amount does not include tips and gratuities. Nationally, the average salon professional's salary is $35,973. As of January 2007, there were 38,297 professionals employed at Indiana's 6,877 salons. 61% of salons in the state are employer-owned, and 14% are booth-rental salons. The other 25% are a combination of the two. 63% of Indiana salons are classified by their owners as full-service salons; 13% are listed as haircutting salons. Barbershops make up 5% of the total. Nationally, 58% of salons are listed as full-service, meaning that Indiana has a higher percentage of specialized establishments.

Essential Career Considerations / Requirements
Applicants interested in pursuing a career in cosmetology or a related field should consider all aspects of such a decision. Persons who want to become a professional in the beauty industry must:

1. Have finger dexterity and a sense of form and artistry.
2. Enjoy dealing with the public and be able to follow client directions.
3. Keep abreast of the latest fashions and beauty techniques.
4. Work long hours while building a personal clientele in order to make the desired income.
5. Make a strong commitment to the educational process and finish school.
6. Learn business skills applicable to the desired position.

In addition, prospective students should be aware that:

1. The work of a licensed professional in the cosmetology/barber/beauty industry can be arduous and physically demanding because of long hours standing with hands at shoulder level, bending to work on all areas of the client’s head, bending to complete shampooing or other wet services, etc. Estheticians will spend a significant amount of time standing to complete facial services and body treatments, waxing, or makeup services. Nail technicians will spend long hours sitting at a Nail technician's station. Instructors will spend long hours standing while teaching and walking to monitor their classrooms / clinic areas.
2. A personal investment may be required for advertising and promotions such as printing of business cards or cooperative advertising.
3. There will be exposure to various chemicals and fumes which may cause allergic reactions.
4. The practice of safety and sanitation is essential for effective and successful performance within the industry.
5. Methods of compensation vary and may include straight salary, salary plus commission, straight commission, sliding scale commission, retail commission or independent contracting (renting space and equipment from an existing salon).

Placement
The Academy maintains contacts in the cosmetology profession to assist students in job placement. Employers are encouraged to interview students, and every effort is made to secure a job opportunity for each graduate. Students are prepared in the latter part of training to seek employment. Job opportunities are announced and posted. The Academy cannot guarantee employment. However, we do follow-up on graduates to help us prepare new students for future job placement.

Reciprocity
Licensed cosmetologists, estheticians and Nail Technologists from Indiana may apply for licenses in their field of expertise in other states and must comply with each state’s laws and rules to become licensed there.

**Policy on Evaluating the Validity of High School Diplomas**
Regulation 34 CFR 668.16 (p) requires Title IV schools to establish policies and
procedures to confirm the authenticity of high school diplomas in the event that
the school or the Secretary of the U.S. Department of Education has reason to
question the validity of a student’s high school diploma.
The School may require further documentation in the form of a certified copy of
final high school transcripts for the high school in question or information from a
company that evaluates foreign diplomas (in the case of a foreign diploma).
Student self-certification is not considered sufficient proof of validity.
In addition to checking online for further information about the school issuing the
diploma and its accreditation, the school may also contact the Department of
Education in the state in which the diploma was issued to determine if the school
listed on the diploma is on the state list of recognized schools.
The school maintains a list of known diploma mills for the admissions staff to check
when receiving a diploma from an unknown and questionable source. It is
understood that this list may not be all inclusive as there are hundreds of diploma
mills some known and some not currently known. It is also understood that the list
of schools in the FAFSA drop down box online also may not be all inclusive.
The school makes every reasonable effort to verify the validity of questionable
high school diplomas.

**Transfers**
A transfer student may be accepted after careful evaluation of the student’s
academic records. Each transfer must be evaluated on an individual basis. No
more than 20% of the program can be credited from another institution. Transfer
students pay full tuition. Transfer students must begin at the beginning. All transfer
hours accepted are applied at the end of training. Certification of transfer hours
must be submitted and accepted prior to the completion of the Enrollment
Agreement. State required progress, up to 20%, will be accepted and applied as
long as it is officially documented and is also submitted prior to enrollment.
Acceptance of transfer hours is at the discretion of the school. We do not recruit
students already attending or admitted to other schools offering similar programs.
Transfer hours from another Salon Professional Academy or Summit Salon
Academy may be accepted above 20% upon careful evaluation by the
Admissions Director and Academy owners and with a valid, official transcript from
the previous Academy. Tuition cost may be based on a dollar per hour rate.

**Reentry Students/Interruptions**

Students who have been terminated or withdrew from school may re-enroll (if determined eligible) within 180 days and will not incur additional charges, however these students will be responsible to pay any remaining balance from the previous enrollment that cannot be covered with reinstated federal funds, plus any increase in tuition rates if applicable. Students who have been terminated or withdrew from school and re-enroll (if determined eligible), after more than 180 days the student will pay for contracted hours at the current tuition rate. All re-enrolling students will be provided the school’s Re-enrollment Policy and will be evaluated by the school Director for placement in the curriculum and kit needs. Re-enrolling students may be required to purchase the current school kit. Students applying for re-entry or transfer-in from other schools may be required, as a condition of enrollment, to bring delinquent prior student loans to a current status.

**Veterans Assistance Programs**

The Academy accepts United States Federal Veterans Assistance for those who qualify. The Academy permits any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under Chapter 31 or 33 and ending on the earlier of the following dates:

1) The date on which payment from VA is made to the institution.
2) 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

The Academy does not impose any penalty, including the assessment of late fees, the denial of access of classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the disbursement funding from VA under Chapter 31 or 33.

- A **covered individual** is any individual who is entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post 9/11 GI Bill benefits.

The Academy VA Certifying Officials are Julie Conwell and Nikki Hollingsworth.

**Payment Plans**

The Academy has Federal Financial Aid for those who qualify. See Programs of Student/Course Information for specific criteria on cash payment options.

The following are standard monthly allowances that make up the cost of attendance budgets.

**Federal Assistance Programs**

The school is approved as an eligible institution by the U. S. Department of Education to participate in Title IV grant and loan programs. The packaging of financial assistance is determined according to guidelines set by the US Department of Education. Cosmetology and Esthetics programs are available for students qualifying for assistance:

**Federal Grants:**

**Federal Pell Grant:** Intended to be the basis of the financial aid package and may be combined with other aid to meet the full cost of attendance. The Federal Pell Grant is a need-based aid program in which an eligible recipient does not have to repay the funds received.

**Federal Direct Loan Program:** These are low interest loans for undergraduate and graduate students that are made available through the Federal Government. This program includes the Federal Direct Subsidized, Federal Direct Unsubsidized and Federal Direct Plus loans. There are grade level progressions and loan limits used for the administration of these loans.

The following Direct Loans are made through the William D. Ford Federal Direct Loan (Direct Loan) Program, which is administered by the U.S. Department of Education:

**Federal Direct Subsidized Loan:** This is a need-based-loan for which the Federal government subsidizes the interest until repayment begins and during any period of deferment. This is a loan and recipients must begin making payments at the end of their six-month grace period.

**Federal Direct Unsubsidized Loan:** This is a non-need-based loan for which the Federal Government does not pay the interest subsidy. Interest accrues during all periods. The recipient has the option to pay the interest or to defer payment of the interest for the grace period. This is known as capitalization. This is a loan and recipients must begin making payments at the end of their six-month grace period.

**Federal Direct Plus Loan:** This loan is available to parents of dependent undergraduate students to help pay for the cost of the dependent’s education. Borrowers of PLUS Loans are required to undergo a credit check by the lending
institution. The definition of a “parent” for PLUS Loan eligibility is a student’s biological, adoptive or step-parent in the event that person’s income would have been taken into consideration when calculating the student’s expected family contribution (EFC). Interest is charged during all periods.

**Eligibility of Title IV Aid**

To be eligible for Title IV Aid, the student must:

- Have a High School Diploma, GED or equivalent
- Complete the FAFSA for each financial aid year the student is eligible for aid
- Comply with the Academy Satisfactory Academic Progress Policy
- Not be in default on previous student loans
- Not owe repayment on an adjusted Pell grant

**How to Apply for Title IV Federal Financial Aid**

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA. To complete a web FAFSA, the student will complete the application on the website [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Be sure to follow all instructions when completing the FAFSA. List the School Code for Summit Salon Academy in Anderson, Indiana (041667, REM SPA, Inc.) This will allow disclosure of information from the FAFSA to the Academy. In the case of a dependent student, both the student and parents will need to complete and sign the FAFSA application in order to be eligible for financial aid.

2. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.

3. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). The Academy will be sent an ISIR (Institutional Student Information Record) for all students who list their School Code. All verification and/or corrections must be completed prior to qualifying for aid. The DOE selects one in every three students for verification. If the student is selected, the student will receive the Academy verification policy and verification worksheet from the Academy financial aid office that must be completed. The student will also be required to provide copies of most recent signed tax returns and those of the student’s parent, if parent information is listed on the FAFSA. If selected, this verification process must be completed before a student can receive federal aid. The verification
process could result in a corrected ISIR and new EFC (Expected Family Contribution) number which could affect aid in the form of a Pell Grant and unmet need.

4. The Primary EFC provided on the student’s ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student’s Career Investment Costs per academic year. These costs include tuition, applicable fees, textbooks and kit items (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.

5. Summit Salon Academy utilizes the information presented on the student’s ISIR and the NSLDS (National Student Loan Data System) to determine the student’s eligibility and to calculate the students need or unmet need for the student’s grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.

6. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or E-MPN online at www.studentloans.gov.

7. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of the dependent student must complete a Parent Plus loan application.

8. Students will need to accept or decline eligible aid. Accepted aid will be listed on the student’s award letter.

9. Students will complete the process for the 1st academic year and 2nd academic year.

10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov.

11. A student is required to notify the Academy Financial Aid Administrator if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.

Dependency Status
A student is considered independent if they answer yes to at least one of the following questions:
- Are you at least 24 years of age?
- Are you married as of the day submitting the FAFSA?
- Are you currently serving on active duty in the US armed forces?
- Are you a veteran of the US armed forces?
- Do you have children who will receive more than half their support from you during the academic year?
• Do you have legal dependents (other than your children) who live with and you and receive more than half their support from you during the academic year?
• At any time since you turned age 13, were both your parents deceased or were you in foster care or a dependent or ward of the court?
• Are you or were you an emancipated minor as determined by a court in your state of legal residence?

Dependency Override
Students who do not meet the federal definition of independent status but have extenuating circumstances beyond their control can appeal their dependency status.
Students must provide written documentation explaining their situation and must provide three letters from professional persons other than family substantiating the appeal.

Professional Judgment
Circumstances beyond the student’s control that have affected their (or their family) income during the academic year could result in a reduced EFC. Successful appeals may result in an increase in the student’s eligibility for aid.
Students with special situations should contact the financial aid office. Those determined eligible will be required to fill out a Professional Judgment form.

Verification
Students selected by the U.S. Department of Education for the process of verification are frequently required to submit additional information and/or parents’ financial & household information to the financial aid office. The verification procedures will be conducted as follows:
1. When selected by the U.S. Department of Education for the process of verification, the student must submit all required documentation to the financial aid office within 10 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 10 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student’s eligibility for federal student aid has been established.
3. The financial aid office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.

The financial aid office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student’s financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Students have access to advising from members of the school staff regarding their program of study, progress, financial affairs, housing, placement or other areas in which the student may need assistance including referral to professional assistance when necessary. Students whose progress in the course is unsatisfactory are advised and provided any additional assistance available. When requested, the school may provide assistance and advisement in acquiring adequate housing facilities. A student requiring housing assistance should contact the school prior to enrollment. **Scholarships**
The Academy provides scholarship opportunities to qualifying high school seniors. Scholarship applications can be found at The Academy’s website, which is [www.andersonsalonacademy.com](http://www.andersonsalonacademy.com).

The scholarship award will be posted in equal increments on the student’s ledger at each satisfactory academic checkpoint. At this time, the student must:

- Be maintaining an 85% or above in both attendance and grade average.
- Not have any suspensions.

The student must complete the course, maintain an 85% in attendance and grade average and not have any suspensions. Otherwise, the terms of the scholarship will be void and full tuition will be due.

The Academy also gives US Military Veterans a scholarship for the Enrollment Fee ($100).

**Satisfactory Academic Progress Policy**
The satisfactory progress policies apply to every student enrolled in a NACCAS approved program whether receiving Federal Title IV funds, partial funding assistance, or self-pay. The policy is provided to students prior to enrollment. Satisfactory Progress in attendance and academic work is a requirement. Students must maintain Satisfactory Progress to continue eligibility for funding. To determine Satisfactory Progress, all students are evaluated in academics and attendance at the end of each payment period. Students are advised of their academic and attendance status via a progress report. This report notifies the students of any evaluation that may impact the student’s eligibility for Title IV aid and is kept in the student’s file.

**Attendance Progress**
Students are expected to attend classes as per their enrollment agreement. Students are responsible to clock in and out appropriately to document their hours; the only documentation accepted for student hours is the time clock system. Tardiness may result in disciplinary action up to and including termination. Students who are going to be absent are expected to call the school prior to the beginning of their scheduled shift. All absences are recorded and made a part of the school permanent record. The student is responsible for class material and/or tests missed while absent. Students are encouraged not to miss any days during basics. Students who miss 10 consecutive school days (14 calendar days) without communicating with the School Director/designee may be terminated on the 11th consecutive school day. Students who persist in repeating patterns of
absenteeism will be advised and will be subject to appropriate disciplinary action. Students who have excessive absences may be terminated; re-enrollment is at the discretion of the school.

**Maximum Time Frame**
SAP evaluation periods are based on actual hours completed. Students must attend a minimum of 75% of the cumulative scheduled hours to maintain Satisfactory Progress and complete the course within the maximum allowed time frame. The maximum time frame is equal to 1.33 times the published length of the course. The maximum time frame for Cosmetology is 1995, Esthetics is 931, Nail Technology is 798, and Beauty Culture Instructor is 1330 hours. A student unable to complete the program by the maximum time frame will be terminated. Authorized leaves of absences will not be considered in the maximum time frame evaluation; LOAs will extend the student’s contract period and max time frame by the same number of days taken in the LOA.

**Academic Progress**
Students are assigned theory study and practical assignments. Theory is evaluated by written exams given after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures and performance standards established by the state licensing agency. Students must maintain a grade average of 75% and pass a final written and practical exam prior to graduation. The Academy uses a 100-point grading scale: 100-75% is passing, 74-0%, in theory, practical or final exam grades are not passing.

**Determination of Progress**
Students meeting the minimum requirements at the end of each payment period will be considered making Satisfactory Progress until the next scheduled evaluation. The FAA office evaluates SAP daily using SMART software. The student will be informed by the FAA office and will sign his or her satisfactory progress report at the scheduled intervals. In order for a student to be considered making Satisfactory Progress, the student must meet both attendance and academic minimum requirements. The first evaluation will occur no later than the mid-point of the academic year or the course and/or program, whichever occurs sooner. Students will be evaluated at the following points:

A student not in Satisfactory Progress, whether failing in academics or attendance, is notified by the Academy in person with an Academy administrator. A student evaluation report is printed and signed by the student. The signed report is kept in the student’s file.

Any student who does not achieve the minimum standards is no longer eligible for Title IV unless the student is on Warning or has prevailed upon appeal of the determination that has resulted in the status of Probation.
Warning
Students failing to meet requirements for attendance or academic progress will be placed on Warning Status. Students on Warning Status may continue to receive Title IV funding for one payment period. Students are not required to appeal a Warning Status. When a student is placed on warning status, he or she is given a warning notification and it is kept in the student’s file.

Appeal Procedure
The institution evaluates the student’s progress and if it is determined a student is NOT making Satisfactory Progress during the Warning or previous evaluation period, the student may appeal the negative determination. The student must submit a written appeal on the school’s form to the school administration within 5 days of the determination, with supporting documentation including reasons why the determination should be reversed and a request for re-evaluation including what has changed in the student’s situation that will allow the achievement of satisfactory academic progress at the next evaluation. An appeal hearing will take place within five (5) business days of receipt of this written appeal. This hearing will be attended by the student, parent/guardian, if applicable, and appropriate school staff. A decision on the appeal will be made within three (3) business days after this hearing, and will be communicated in writing. This decision will be final. Students who prevail upon appeal will have eligibility for Title IV funds reinstated. All documentation regarding the appeal is kept in the student’s file.

Probation
Students on Warning Status who do not meet requirements at the next evaluation point will lose eligibility for Title IV funding. The Academy may allow for the status of probation if it is determined that SAP standards can be met by the end of the subsequent evaluation period. Students who wish to appeal the school’s determination (for reasons such as death of a relative, injury/illness of the student, or other special circumstances) must appeal within the required time frame and on the school required form (see Appeal Procedure). If the school grants the student’s appeal, the student will be placed on Probation Status until the next evaluation point and the student’s eligibility for Title IV funding will be reinstated. A student may be placed on Probation Status for one payment period. The Academy will develop an academic plan for the student that, if followed, will ensure that the student is able to meet satisfactory academic progress requirements by a specific point within the student’s maximum time frame.

Reestablishment of Status
A student determined NOT to be making Satisfactory Progress may reestablish Satisfactory Progress by: 1) Making up missed tests and assignments and increasing grade average to 75% or better, and/or 2) Increasing cumulative attendance to 75%.

Reinstatement of Financial Aid
Title IV aid will be reinstated to students who have prevailed upon appeal regarding the status of Satisfactory Progress or who have reestablished Satisfactory Progress. Students on suspension of funds will be monitored daily via an electronic Satisfactory Progress report to determine when they reestablish Satisfactory Progress.

Course Incompletes, Repetitions and Non-Credit Remedial Courses
Course incompletes, repetitions and non-credit remedial courses are not offered, therefore have no effect on the institution’s Satisfactory Progress Policy.

**Determination Date / Withdrawal Date (Official / Unofficial Withdrawal)**
The actual last date of attendance is the last day the student was physically in attendance. An active student officially withdraws when they notify the school’s administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school’s administrative office. The withdrawal date is the last day of documented attendance.

**Reentry Students/Interruptions**
Students who have been terminated or withdrew from school may re-enroll (if determined eligible) within 180 days and will not incur additional charges, however these students will be responsible to pay any remaining balance from the previous enrollment that cannot be covered with reinstated federal funds, plus any increase in tuition rates if applicable. Students who have been terminated or withdrew from school and re-enroll (if determined eligible), after more than 180 days the student will pay for contracted hours at the current tuition rate. All re-enrolling students will be provided the school’s Re-enrollment Policy and will be evaluated by the school Director for placement in the curriculum and kit needs. Re-enrolling students may be required to purchase the current school kit. Students applying for re-entry or transfer-in from other schools may be required, as a condition of enrollment, to bring delinquent prior student loans to a current status. A determination of Satisfactory Progress will be made and documented at the time of withdrawal or beginning of a Leave of Absence. That determination of status will apply to students at the time they re-enter or return to the school. The student may appeal a negative Satisfactory Progress determination according to the appeal policy. Elapsed time during a Leave of Absence does not affect Satisfactory Progress and will extend the contract period by the same number of days as the Leave of Absence. Students re-entering after exiting the school will not be evaluated as new students and consideration will be given to the student’s progress status at the time of previous withdrawal. Re-enrollment is at the discretion of the school administration. A student re-entering the Academy but enrolling in a different program will be considered a new student and Satisfactory Progress from the previous program will not be carried over to the new program, thus not affecting the student’s SAP.

**Transfers**
Transfer hours from another institution that are accepted toward the student’s educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum time-frame has been exhausted. An official transcript from the previous school is required for the acceptance of transfer hours. SAP evaluation periods are based on actual contracted hours at the Academy.

**Graduation Requirements**
The graduation requirements for all courses are as follows: 1) Completed the required hours of training within the maximum time frame allowed. 2) Maintain
satisfactory progress requirements per the criteria of the Satisfactory Progress Policy. 3) Take a final examination on practical procedures, and a final written examination-- having a score of not less than 75 %. 4) Fulfill all financial obligations to the school. 5) Passing the Indiana state board written examination 6) Completion of an exit interview and required exit paperwork. Upon graduation, a diploma will be awarded. Certification of hours and state licensure will not be obtained until all tuition charges have been paid in full.

If a student has a tuition or over contract fee balance, the student may not clock their final hour and may be placed on a Leave of Absence until the charges have been paid in full. If all of the graduation requirements are not fulfilled within the maximum amount of Leave of Absence time allowed by the Academy, the student may be dropped from the program.

Suspension
Students may be suspended for absence, tardiness or inappropriate behavior. If a student is suspended, the student will be counseled about the problem and what the student must do to correct the problem. It is the intention of the Academy to prepare professional people for a career. If a student is not so inclined and has limited likelihood of success in this career, it is the responsibility of the Academy to inform the student and to tell the student how deficiencies could be corrected.

Termination
The Academy may terminate a student prior to the completion of their program for one or more of the following: 1) Insufficient academic progress. 2) Not fulfilling financial obligations to the school. 3) Failure to comply with the rules and regulations of the school. 4) Failure to comply with the Tardy/Attendance policy of the school. 5) Insubordination. 6) after 10 consecutive school days of absence or 7) in the case of a leave of absence on the documented date of return if the student does not return. In the case of termination by the Academy, the Student will receive a refund, according to the Refund Policy (a part of the enrollment agreement) and this catalog.

Grievance Procedure
The staff member or educator will meet with the student in a private area away from other students. If needed, the complainant will be asked to put in writing to the school owner/director an outline of the allegation or complaint.

1. The student should register complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school’s response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness’ testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution’s internal complaint process before submitting the complaint to the school’s accrediting agency, if applicable.

Academy Student Policies
With the signing of the enrollment agreement, the student confirms that he or she has read the Catalog and Consumer Information, and agrees to abide by the student policies stated therein. Policies include standards for student conduct, appearance, attendance, and courtesy.

Standards
Students at the Academy must be an example of good grooming and should be in the best of health. All state cosmetology laws and rules are practiced and taught at the Academy. Lack of basic honesty and integrity will result in dismissal from the Academy.

Policies
These policies are important to your success at the Academy and are a condition of your enrollment. Your attitude must be positive to attract guests and friends. Demonstrate maturity and tolerance in the handling of difficult people and situations. Be pleasant and smile!

Learning
Subjects being taught are reviewed and built upon constantly. If you don’t understand a subject, seek help from an educator. Our goal is to assist your learning. Your goal is to learn as much as you can. Learning and memorizing are not the same. Learning means you take what is covered into your thinking and can use it. Memorizing is short term and will not last. Students will be under the supervision of educators at all times. Always get an educator’s consultation before you proceed with guest services.

Grades
All training must be completed with a 75% average. Any student, who does not earn a 75% GPA at a satisfactory academic progress (SAP) checkpoint, will be given a warning until the next SAP.

Resource Center
A resource center is provided for your use. It is located in the educator’s office. Please
see an educator to take books or materials home overnight. Computers are also available for use.

**Care of Books, Kits, and Equipment**
Your books and kits are provided. Have them in the Academy every day. If an item is lost or broken, replace it promptly. The director will order replacements for you at cost. Borrowing is not allowed. Lock up your professional tools. Your books are your personal, professional library. The Academy equipment is not to leave the Academy at any time. This includes all kit items, iPads and books until they are paid in full. Keep your work area (classroom or styling area) clean and neat at all times. Clean up all work spaces after using them. You will be responsible for sanitation duties daily. These duties must be checked by an educator before leaving each day.

**Lockers**
Each student will use a locker to store personal items. Students are provided with a padlock that must be returned in working condition or a fee will be charged. Keep your locker clean.

**Food and Beverages**
Beverages are allowed in the classroom during class. Beverages on salon floor are allowed if kept in styling stations. No food is allowed on salon floor.

**Appearance**
Students are required to follow the Apparel Code.

**Personal Services**
Personal services are allowed. See the Personal Service Procedures and Student Rewards policy.

**Conduct**
Choose your words carefully. Swearing and other improper language is not tolerated. A professional does not complain or gossip. Do not gather at the reception desk, in the styling area or around a station where another student is working with a guest.

**Interruptions**
When a class is being held in any room of the Academy, it is important that class not be interrupted. Please stay in the classroom or styling area where you are assigned for the day. Do not roam about interrupting other students in training.

**Educator in Charge**
When you are working on practical skills either in the classroom or the styling area, please work with the educator who has responsibility for that area.

**Suspension**
Students may be suspended for poor performance, tardiness, no call/no show, a violation of the Attendance Policy, or inappropriate behavior. If a student is suspended, the student will be advised about what the student must do to correct the problem. It is the intent of the Academy to prepare professional people for a career. Employers ask about attitude, attendance and levels. Refusal of a ticket will result in suspension of the remainder of the day.

**Attendance Policy**
Attendance is the responsibility of the student. Students are expected to attend their full contracted schedule to complete the hours of state-approved training.

- To report an absence or tardy, please dial 649-5555 to leave a voicemail.
- If a student finds it necessary to be absent, it is the student’s responsibility to notify the Academy of the absence before the beginning of the student’s scheduled start time the day of the absence.
- If the student is going to be late, the student must notify the Academy before their scheduled start time and provide the time the student plans to arrive. If a student will be later than the anticipated arrival time or will not be attending at all, the student must call and notify the Academy.
• Students should not plan to leave the Academy once the day has begun except for meal breaks. If a student leaves the Academy campus, the student must be clocked out.
  • Failure to comply with these policies will result in a suspension.
• Makeup hours may be permitted at the discretion of the Academy.
• If a student falls behind by 200 or more hours, the student may be moved to the class behind them and will be placed on a new schedule.
• If a student has excessive absences the student may be dropped from the program.
• After three suspensions the educator will inform the Director. After the Director meets with the other owners, it may be determined that the student is not a good fit for the Academy which would result in dismissal from the Academy.
• When absent the day of an exam, a zero will be given until the test has been taken. Missed tests should be made up as soon as possible. Exams can be taken in advance for a planned absence.
• Students in good standing may request time off by completing the Absence Request form.

Please remember that taking time off may put you over your contracted graduation date and result in additional charges. It may also keep you from receiving financial aid if you are not making satisfactory progress. Absences are neither excused nor unexcused.

Tardiness
A student will be suspended for one day after the student has been tardy five times in one calendar month.

Hours
The Academy hours are assigned by the program taken. Your schedule is part of your enrollment agreement and is subject to change. The Academy reserves the right to close with posted notice.

Smokers
If you are a smoker, please smoke outside in back of building. Smoker’s sanitations will be required. Smokers must sign out at the front desk before leaving the building and sign in upon your return. Electronic cigarettes or vape devices are not to be used in the Academy.

Parking Area
Please park away from the building. This leaves room for our guests to park close by and walk into the Academy.

Over Contract Charges
If the student does not complete training by the contracted graduation date, an additional fee of ten dollars per scheduled hour will be charged until the required hours are completed. A grace period of 102 hours for Cosmetology and 72 hours for Esthetics and Nail Technology is added to each student’s contact and is reflected in the student’s graduation date. An absence, regardless of whether it is requested time off, call-in, or suspension, is considered time missed and is part of the grace period.

Leave of Absence Policy
A student who must take an approved leave of absence may return to the program with no loss of satisfactory progress if the student was making satisfactory progress when the student took the LOA. A student may be granted a Leave of Absence for circumstances beyond the control of the student. The LOA must be requested and approved in writing prior to the leave occurring. In
addition the student is required to list the reason for the leave. An emergency LOA, without prior written request, may be granted if the student provides the school with a request and documentation via email, fax, or calls the FAA with a verbal request. The student would complete all necessary paperwork upon the student’s return to school. Complete documentation and certain conditions are needed to support this request (i.e., jury duty, military reasons including National Guard requirements, and circumstances meeting criteria covered under The Family and Medical Leave Act of 1993). A student granted an LOA that meets the requirements of this policy, is not considered to have withdrawn, and a refund calculation is not required at that time. When a student takes a Leave they understand that it is for just the requested time and they are expected to return from the LOA.

The maximum time frame for a leave is 180 calendar days. The School permits more than one leave provided the total number of days of all leaves does not exceed 180 calendar days in a 12 month period. On the day the student returns from the LOA the student is required to inform the FAA of their return. The student’s contract end date and maximum time frame will be extended for the same number of calendar days the student was on the LOA via an addendum or on the enrollment agreement initialed by all parties. There will be no additional charges to the student as a result of the LOA.

If the student is on financial aid, no federal loan payments will be distributed during the LOA. If the student does not return from the LOA within the 180 days, the loan will go into immediate repayment. A student who has been granted a LOA will be considered withdrawn if the student does not return to school at the end of the LOA. In said cases the withdrawal date, for the purpose of calculating a refund, is always the last day of recorded attendance at the Academy. While on a leave of absence, the student is not eligible to receive the student discount on services.

**State and Federal Penalties and Sanctions**

**Possession of a Controlled Substance:**
A possession of a controlled substance charge can be pressed when anyone has physical control or dominion over a controlled substance or has access to a controlled substance without proper authority. A controlled substance can be prescription medication that is not theirs, illegal drugs or any other type of material compound or substance that is considered to be restricted or controlled. Driving in a vehicle where controlled substances are found, even if they are not yours, can result in the charge if you know or had reasonable ability to know that the substance was in the vehicle.

**Possession of Controlled Substance Penalties:**
Although a felony offense in many cases, the courts are not as harsh for first time offenders on this charge than some of the other felony offenses. The amount of substance and if the intent to sell can be established will impact on the penalties
possible.

**Possible Penalties:**
- Jail time
- Probation
- Parole
- Random drug testing
- Community service
- Suspended sentence with guilty plea
- Alternative drug rehabilitation programs
- Denial of Federal benefits such as student loans, grants, contracts, and professional and commercial licenses, up to one year for the first offense and up to five years for second and subsequent offenses.

Although penalties vary greatly by case, in the state of Indiana average fines could reach $10,000. The average jail term is 7 years. Average probation time is 5 years, at times including rehabilitation programs and community service. Maximum federal fines could reach $250,000 and up to 25 years in prison.

- All refunds will be calculated based on the student's last date of attendance. Any monies due a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled, and instruction has begun, the school will provide a pro rata refund of tuition to the student OR provide course completion through a pre-arranged teach out agreement with another institution. If the course is canceled subsequent to a student's enrollment, and before instruction has begun, the school will either provide a full refund of all monies paid or completion of the course. If the course is canceled after students have enrolled and instruction has begun, the school shall provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school OR provide completion of the course OR participate in a Teach-Out Agreement OR provide a full refund of all monies paid.

- Students who withdraw or terminate prior to course completion are charged a termination/withdrawal fee of $150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (e.g., extra kit materials, kit & books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in the catalog and in this enrollment agreement. Kits and supplies purchased by the student are not refundable once they have been issued to the student.

- If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

**Kit and Books Return Policy**

Summit Salon Academy Anderson IN Catalog
Consumer Information April 2022

50
Once kit and books are received, the student is responsible for the total amount due. If for any reason the student is terminated or withdraws from the program, the student can return only their textbook or workbooks that are in brand new condition within 20 days. There cannot be any visible damage such as torn pages, bent corners, scratches on the cover or written in anywhere. The kit is a sanitary item and once it is opened it cannot be returned for any reason. The kit and iPad are the property of the Academy until fully paid and are to remain at the Academy until that time. In the event of termination or withdraw, the student will be charged full price for the kit, iPad, and any unreturnable books. Therefore, they will be excluded from the R2T4 and step 5 prorated cost of attendance.

Return of Title IV Funds
The law specifies how a school must determine the amount of Title IV program assistance that a student earns if he/she withdraws from school. The Title IV programs that are covered by this law are: Federal Pell Grant, TEACH Grants, Direct Student Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When a student withdraws during the payment period the amount of Title IV program assistance that he/she has earned up to that point is determined by a specific formula. If the student received (or the school or parent received on the student’s behalf) less assistance than the amount that the student earned, the student may be able to receive those additional funds. If the student received more assistance than he/she earned, the excess funds must be returned by the school and/or the student.

The amount of assistance that the student has earned is determined on a pro-rata basis. For example, if the student was scheduled 30% of the total hours in their payment period, the student earns 30% of the assistance he/she was originally scheduled to receive. Once the student has been scheduled more than 60% of the hours in his/her payment period, the student earns all the assistance that he/she was scheduled to receive for that period.

An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school’s administrative office. The withdrawal date is the last day of documented attendance. An active student is considered officially withdrawn when she/he is dismissed by the school or the student notifies the school they are no longer attending. The withdrawal date is the last day of recorded attendance. The determined withdrawal date is the date the student notifies the school they are no longer attending or the date the school notifies the student they have been dismissed.

If the student did not receive all of the funds that he/she earned, the student may be due a Post-withdrawal disbursement. If the Post-withdrawal disbursement includes loan funds, the school must get the student’s permission before it can disburse them. The student may choose to decline some or all of the loan funds
so that he/she doesn’t incur additional debt. The school may automatically use all or a portion of the Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs the student’s permission to use the Post-withdrawal grant disbursement for all other school charges. If the student does not give his/her permission (some schools ask for this when upon enrollment), the student will be offered the funds. However, it may be in the student’s best interest to allow the school to keep the funds to reduce his/her debt at the school. A school must disburse any Title IV grant funds a student is due as part of a post-withdrawal disbursement within 45 days of the date the school determined the student withdrew, and disburse any loan funds a student accepts within 180 days of that date.

There are some Title IV funds that the student was scheduled to receive that cannot be disbursed to him/her upon withdrawal because of other eligibility requirements. For example, if the student is a first-time, first-year undergraduate student and has not completed the first 30 days of the program before withdrawal, the student will not receive any Direct Loan funds that they would have received had they remained enrolled past the 30th day. If the student receives (or the school or parent receives on their behalf) excess Title IV program funds that must be returned, the school must return a portion of the excess equal to the lesser of: the institutional charges multiplied by the unearned percentage of the student’s funds, or the entire amount of excess funds. The school must return this amount even if it didn’t keep this amount of the student’s Title IV program funds. If the school is not required to return all of the excess funds, the student must return the remaining amount. Any loan funds that the student must return, he/she (or the parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, the student makes scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that the student must return is called an overpayment. The maximum amount of a grant overpayment that must be repaid is half of the grant funds the student received or was scheduled to receive. The student must make arrangements with the school or the Department of Education to return the unearned grant funds.

In the event there is a credit balance due to the student, the school will disburse that amount as soon as possible and no later than 14 days after the return of Title IV funds calculation. The funds will be sent in the form of a check via US mail to the student’s address on file with the school.

The requirements for Title IV program funds when a student withdraws are separate from any Institutional Refund Policy that the school may have. Therefore, the student may still owe funds to the school to cover unpaid institutional charges. The school may also charge for any Title IV program funds that the school was required to return.

If a student has questions about his/her Title IV program funds, he/she can call the Federal Student Aid Information Center at 1-800-4-FEDAI D (1-800-433-3243).
TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

- The "unearned" portion of the institutional charges will be returned by the institution to the appropriate Title IV program. The college will then bill the student for the amount of institutional charges that were returned in excess of the college’s refund policy.
- The "unearned" portion of the aid that was disbursed directly to the student will also be calculated. If applicable, the student will owe repayment to the Title IV programs. The student will receive an overpayment letter and will be given 45 days to make the repayment. The student will be eligible for further Title IV aid during the 45-day period but will become ineligible after the 45 days has passed. The student will remain ineligible until the funds are repaid or satisfactory payment arrangements have been made with the Department of Education.

Refunds for students who do not receive Title IV aid will be issued in accordance with the School’s Institutional refund policy as stated on the school’s enrollment agreement.

The school will return Title IV funds, within 45 days, to the following Title IV programs from which the student received aid during the payment period as applicable, up to the net amount disbursed from each source:

1) Unsubsidized Federal Direct Loan
2) Subsidized Federal Direct Loan
3) Federal PLUS/Direct PLUS Loan
4) Federal Pell Grant
5) Federal SEOG
6) Other Federal, state, private or institutional aid
7) The student

**Domestic Violence in the School**

Summit Salon Academy (hereinafter “the School”) is committed to promoting the health and safety of its students. This commitment includes the prevention and reduction of the incidence of domestic violence.

While the School recognizes that both men and women can be victims of domestic violence, the overwhelming majority of victims are women. In fact, domestic violence is the leading cause of injury to women in the United States.

The School recognizes that domestic violence is a school issue. Domestic violence does not stay at home when victims and perpetrators go to school. Victims may be especially vulnerable while they are at school. Domestic violence can compromise the safety of students and directly interfere with the mission of the School by decreasing morale and learning, as well as increasing absenteeism.

For these reasons, the School has established this institution's domestic violence policy. The specific purposes of the policy are to:

A. Create a supportive learning environment in which students feel comfortable discussing domestic violence issues and seeking assistance for domestic violence situations;

B. Develop responsive policies and procedures to assist students who are affected by domestic violence;

C. Provide immediate assistance to victims;

D. Provide assistance and/or disciplinary action to employees or students who are perpetrators of abuse; and

E. Offer training on recognizing and responding to domestic violence.

The School recognizes all persons' rights to privacy, autonomy, and safety and the corresponding need to control the process following any
disclosure. To the extent that disclosures do not implicate issues of institution safety and performance, and to the extent permitted by law and this policy, the School's response will be guided by the expressed wishes of the victim but should include the following:

a. Evaluate for immediate threat to victim;

b. Contact a school representative and/or law enforcement;
