What qualifies as community service? Any community service performed outside the home or school that is 100% volunteer (unpaid) will qualify, such as helping at church with cleaning, Sunday school, or choir; helping an elderly neighbor with yard work; visiting the elderly in nursing homes; etc. Students are required to perform 20 hours of Christian service per year (five hours per quarter).

What is the purpose for community service? The purpose for this service is for students to live out Christ's command to love their neighbor and to reach out to their community. Students will not only learn to serve but also develop an outward focus as well as build their character.

“Instead, whoever wants to become great among you must be your servant, and whoever wants to be first must be your slave – just as the Son of Man did not come to be served, but to serve...”

Matthew 20: 26, 28
