Dear MVRSD Friend,

Friends of Mascoma Foundation is a grassroots 501(c)(3) charitable organization dedicated to raising and appropriating funds to foster educational advancements within the Mascoma Valley Regional School District. To date, we have raised over \$60,000 through support from generous donors like you.

DID YOU KNOW that we launched our brand new student scholarship and teacher mini-grant programs as of February 4, 2016? Four graduates from the Class of 2016 will be awarded \$1,000 scholarships from Friends of Mascoma. Four teachers have already been awarded mini-grants!

DID YOU KNOW that we successfully met our match with "Mascoma Music Matters" in 2015 and are working with the music teacher at CES and EVS to finalize an instrument order for the new instrument bank?

DID YOU KNOW that 2016 is the year we will relocate and begin restoration of the Gary Hamel "Generations" mural? We also plan to add to it to keep the history of our district alive and engage current students!

DID YOU KNOW that we have been busy with "Friends Feeding Friends" and opening food pantries within the district? We are making great strides to ensure all our district residents have enough food at home!

Your gift to Friends of Mascoma benefits the MVRSD in so many ways. As a donor you:

- Support the students by supplementing educational opportunities and scholarships.
- Provide teachers with "mini-grants" enabling them to offer creative additional educational programs to their students.
- Enhance and improve the reputation of the district by helping highlight our community's commitment to education.
- Support successful existing programs to include more students or enable more financial support to expand.

GIFTS OF ANY SIZE are greatly appreciated! Donor levels have been revamped for 2016 and renewals are based on the calendar year, donations toward any fundraising campaign count toward the levels. All donors receive recognition in Friends of Mascoma Foundation's annual report. Donors reaching Benefactor status or above by July 1st will receive their tickets to the annual dinner for the current calendar year, donors reaching these levels after July 1st will receive tickets to the annual dinner for the following year. Donor levels include:
