Would you like to honor your family, memorialize a loved one, friend or teacher, pay tribute to an individual, commemorate a special date, or honor your business? You can do this by purchasing a polished metal nameplate affixed to one aisle arm of an auditorium seat.

To date, 25% of the seats have been reserved, there are still approximately 380 seats available in three different price levels. (See auditorium seating chart on reverse side.)

Your purchase of a nameplate helps insure the continued support of Friends of Mascoma Foundation to raise funds to foster educational advancements within the MVRSD.

Nameplates are approximately 7/8" x 2-1/2" and look similar to the examples below. You may have two or three lines of engraving. You will receive a letter of appreciation for your generous tax-deductible donation and, upon seat assignment (starting summer of 2016), a seating chart with the exact location of your nameplate. This is a first come, first serve basis, which means we will start from front to back in each level section. Please see the reverse of this letter for a floorplan of the seating sections.
