

POSTNATAL

Congratulations on the birth of your baby from the Down Syndrome Association of Wisconsin (DSAW) Parent's First Call Program

DSAW is a not-for-profit organization made up of parents, professionals and anyone interested in gaining a better understanding of Down syndrome. Our mission is to provide support to Wisconsin families and individuals with Down syndrome through awareness, education, information, programs, services, and the exchanges of ideas and experiences. We offer fraternal support through our statewide chapter system, Down syndrome awareness walks, "Roadmap Sessions" to answer questions and create a plan for all stages of a child's life, and ongoing programming and education from birth to adulthood.

DSAW Parent's First Call program offers a connection to another parent. Our First Call parents are an invaluable source of information and support. DSAW offers each new family a complimentary new parent welcome basket and information packet, too!
