

BENTONVILLE BAND BOOSTERS

CONFIDENTIALITY STATEMENT – ALL VOLUNTEERS

Band program volunteers, at times, may become aware of band students' private information, such as grades, disciplinary actions, family financial and living situations, health conditions, body measurements and/or other private information. Privacy of the band students is a priority of the BBB and all volunteers must maintain that privacy. Any private information and/or matters of a sensitive nature learned while volunteering is to remain confidential and not be shared with anyone, including other volunteers.

By signing below, I _____, agree that any private information that I learn directly or indirectly in the course of conducting volunteer work for the BBB will be shared with no one.
