

Bentonville Band Students,

Congratulations on your successful audition! We are excited about the upcoming year and are happy you are a part of it!

Auditions are always a challenging time for Directors and Students. We take into consideration all aspects of the audition and truly make the most *non-bias* decision through this process. I want to encourage you to handle these results with class and dignity. If you did the absolute best you could, that is all we ask for! No matter what ensemble you are performing in, it is now up to you to make it the absolute best it can be.

The title of your ensemble does not have anything to do with your value or potential in this organization. You are ALL apart of the Bentonville Bands and your contribution to music is valued and appreciated.

If you are not on the list and did audition; I apologize and I will correct any discrepancies immediately.

Sincerely,

Timothy J Hendrix
