

PEOPLE **AUDIT.**

People Audit.

Who is **teaching** you something new?

Who is **inspiring** you?

Who is **supporting** and loving your wonderful and weird self?

Who is a plain **joy** to be around?

My Ace People List:

SUPPORT	TEACH	INSPIRE	FUN

People Audit.

How frequently am I seeing these ace people?

Could I see these people more regularly? How?
Can I make time?

What tactics could I employ to interact with mojo suckers a little less regularly to lessen their impact?

THANK YOU.
