

## Lift Me Up

I've felt this before  
I'm hungry for more  
I'm cryin' out  
Can anyone hear me?  
I'm tired of getting nowhere

Time and again I've tried and I've failed to be all that I wanna be  
I'm laying it down, choosing Your crown, become all You've called me  
to be  
I don't need to do this on my own

**So I'm cryin' out, come and lift me up  
With My heart on Your prize I will see the world through Your  
eyes  
And in all I do I wanna hold on to You  
I'm cryin' out come and lift me up**

And I'm done tryin' to make it on my own  
Lift me up to Your throne

Never felt this before  
I'm thirsty for more  
But I've found a fount that will never run dry

All of this time I was walking the line, striving to be a better me  
You lifted me up, carried me through  
In this love I am free  
Now my soul rests in You alone

**O I'm cryin' out come and lift me up, set my heart on Your prize I  
will see the world through Your eyes  
And in all I do I want to hold on to You  
I'm cryin' out Come and lift me up**

And I'm done tryin' to make it on my own  
Lift me up to Your throne
