INVITE YOU TO

MEDICINE STORIES

SEPT 8-9, 2018
Vista, CA & OCT 13-
14, 2018, PORTLAND. OR

AN EXPERIENCE OF WORDS, MUSIC, ART, PEACE & COMMUNITY with
STORYTELLING, LAUGHTER, EXPANSIVE IDEAS AND NEW FRIENDS

You are invited to rest and be inspired with Americana musician David Wilcox and Irish storyteller Gareth Higgins. In SoCal in September, or Portland in October, with a group of friends old and new, hearing music and story, exploring how the stories we tell shape our lives, reimagining the landscape of our souls, - and hopefully experiencing a better story together! Gareth & David are known as eloquent and humane guides to healing your own story, and transforming the complexity of our lives into a gift to ourselves and the world. New sounds, deep stories, laughter and rich conversation will form the heart of this soulfully unique and transforming experience. Beginning Saturday morning and ending around dinnertime on Sunday, this is a two day experience - for thirty guests only - that might just last for the rest of your life. Everyone is welcome.
