

Parishioners: Volunteer for a School Committee!

Do you enjoy making a difference?

Do you have a special place in your heart for our school and our children?

Do you have a knack for

writing,

organizing,

networking,

event planning,

or just **getting things done?**

If so, there's a volunteer opportunity for you on one of our school committees!

Committees that currently have openings are:

- **Outreach** – Identify opportunities and spread the word about our school to local communities
- **Alumni** – Plan social events, coordinate alumni-related social media, and update records
- **Moms and Tots** – Arrange events for mothers with young children to meet each other at St. Al's
- **Signage** – Promote our school through eye-catching and impactful on-site and municipal signage
- **Publicity** – Create articles/media about our school for print and broadcast media and the bulletin

"Loved and called by God," consider sharing your talents by helping to show what our excellent school and religious education programs have to offer.

All adults are welcome!

For information or to volunteer, contact:
