WHITES

JO LANDRON MUSCADET, "AMPHIBOLITE", *loire, france*

Amphibolite - a metamorphic stone, with a high concentration of iron and magnesium, prevalent in the vineyards.. Jo Landron is the godhead of biodynamic winemaking in the Loire Valley, this wine is low in alcohol and high in acidity and mineral salts. We dig it's delicious mashup of citrus peel, pear and stone

LIVIO FELLUGA PINOT GRIGIO, *friuli-venezia giulia, italy*

Livio Felluga, who just turned 101 years-old(!), is a living legend who helped define winemaking in Friuli. Livio Felluga Pinot Grigio remains the absolute benchmark for real Pinot Grigio. Organically grown on the mountain slopes of Collio Orientali, bright, clean & quaffable... in our world is the only Pinot Grigio that matters

NUEMAYER ENGELBERG, GRÜNER VELTLINER, *traisental, austria*

Ludwig Nuemayer knows how to terrace steep slopes into submission, his wines come from Austria's hottest up-&-coming region and display all the precision and clarity of the best Austrian wines. Spicy with limestone minerality this wine has fruit playfully boxing acidity on a razor's edge

FRANÇOIS PINON VOUVRAY 'LES TROIS ARGILES' *loire valley, france*

The wines of François Pinon are considered among the finest of Vouvray. Trois Argiles has a delicate sweetness upfront that gives way to a beautiful citrus finish that resonates outward. It has flavors reminiscent of apples and quince with a slightly spicy accent. Unlike most people we encounter out at bars, it is charming when drunk young

FIELD RECORDINGS JURASSIC PARK CHENIN BLANC, *santa ynez valley*

No one sneaks on to our list with two by-the-glass wines without doing something special. Sun-lit Ectoplasm color. Beautifully balanced aromas of Anjou pear, lemon, apple and almond cookies.

LIOCO CHARDONNAY,"RIO", *sonoma county*

Full, balanced, not over-oaked. Pear & toasted pumpkin seeds finishing with smoky minerality, already lives where California Chard is moving to...

MATTHIASSEN CHARDONNAY, *napa valley*

Matthiasen's Linda Vista Chard is crafted for balance in chardonnay's yin yang of over-ripe and under-ripe fruit... ridiculously seductive nose of green apple, peaches, melon and honey. Whole-cluster pressed with great care to preserve minerality, powerful & elegant

REDS

FOLK MACHINE PINOT NOIR, *central coast*

If you are reading this, there is a good chance you are here on an online date, stop reading and just order the Pinot. It's going to happen anyway. You have enough racing thru your mind to start getting fancy or experimental with your wine choices. Fortunately we have your back (with the wine anyway) this Pinot is delicious & slightly spicy on the finish, probably more fun than your last 5 dates put together

CHERMETTE BEAUJOLAIS "COEUR de VENDANGES", GAMAY, *beaujolais, france*

How deep is your love? PART III......this rare, atypical cuvee dubbed, "heart of the harvest", is the kind of wine we like to drink loads of... gamay is lighter-style by nature but rich and ripe, black fruit, with a long finish. From two 100-year old vineyards.

GD VAJRA NEBBIOLO LANGHE *piedmonte, italy*

Our favorite grape from one of our favorite producers. This is the little sister (or brother!) of your best friend that you ignored for years and then you run into them in the real world, all grown up and you realize not only are they smart & funny...but you are clueless. Young and sexy

UNLITRO GRENACHE, CARIGNAN, ALICANTE BOUSCHET, *roccatederighi, maremma, italy*

From a timeless and ancient corner of the Tuscan coast, this beautiful wine is made by Elisabetta Foradori who might be the best winemakers working in Northern Italy. Unlitro is honest and unpretentious and pairs beautifully with cheese & meat

REVÉILLE CÔTE CATALANES / CARIGNAN "FRANC TIREUR", *roussillon, france*

Sometimes we do not *find* our wine, the wine finds us (and rocks our world) we LOVE what natural winemaker, Frances Crispeels has done with her century old Carignan vineyard. This wine is vibrant and fresh despite the ancient vines, with a killer mix of raspberry, red currants & black pepper. The final distinct salty, mineral quality slays us

FREDI TORRES PRIORAT, *gratallops, spain*

Fredi 'Fresquito' (literally 'the Fresh One') Torres was born in Galicia. Grew up in Switzerland, was an internationally known DJ who mixed with House legends Frankie Knuckles and Carl Cox. Got bored of the party scene and left to study winemaking in Switzerland and France before buying a tiny estate in Priorat. He now makes balanced elegant, biodynamic Priorat wines. He is a favorite amongst top London restaurants and we might be the only people in SF championing his wines.

SCHOLIUM PROJECT PETITE SIRAH/CABERNET/SYRAH, "GARDENS OF BABYLON" *suisun valley*

Burly, and muscular like a carnival strong man who reads Martin Heidegger when he is not performing (and has a mustache that makes women swoon.) The 50% Petite Sirah is co-fermented with the 43% Cab to give this wine layered complexity

FIELD RECORDINGS CABERNET SAUVIGNON, "NEVERLAND", *santa barbara county*

Layers of black currant, spearmint, bacon, smoked cedar planks and tobacco. Probably had you at bacon, *right?* And you are no longer even reading this description. From the fabled Grassini Vineyard, located in Happy Canyon. Why "happy" canyon? Because it was the location of the only working still for miles around during Prohibition

ROSE

LIQUID FARM ROSE, *happy canyon of santa barbara*

Very few wineries come out of nowhere and do everything right, Liquid Farm makes it look easy... like Led Zeppelin's *When the Levee Breaks*. Classic and fresh, with mineral verve, fleur de sel and a crack of raspberry. Unanimously, our favorite California Rose this year...***sold out everywhere, except right here***

LA CROIX DU PRIEUR ROSE, *cotes de provence, france*

We are approaching rose season at warp speed, time to calibrate your palate to what classic provencal rose tastes like. Could only be more perfect if we were actually in the south of France, made with Grenache, Cinsault and Syrah, from a plot that belonged to the monks of the Abbey of Saint Victor in Marseille in the Middle Ages

CHAMPAGNE & SPARKLING

CHAMPAGNE HENRIOT BRUT NV

Our history and relationship with the Henriot Family goes back decades, there is much to love in this Non-Vintage Brut, which features a relatively high proportion of Chardonnay; no Pinot Meunier; and 20% reserve wine, starting with a nose of smoky minerals, it offers a delightfully crunchy-yet-creamy, slaw-like amalgam of fresh apple, celery root, grapefruit and almond, to which a whiff of elder flower adds aromatic allure. The lush mid-palate takes a turn, even as tart citric electricity give it even greater impact, leading to a luscious finish that irresistibly urges one take the next sip. *Can you tell someone here loves champagne?*

M. BONNAMY CREMANT DE LOIRE (SPARKLING), *loire, france*

Chenin Blanc (our favorite!), Chardonnay, Cab Franc super sexy strawberry aroma meets creamy texture

M. BONNAMY ROSE CREMANT DE LOIRE (SPARKLING), *loire, france*

100% Cab Franc bright fruit, hint of summer peach, finishes with a long with mineral tease

LA CAUDRINA MOSCATO D'ASTI, *piemonte, Italy - 500ml btI*

Moscato went from little known to popular, to terrible, overnight. Our Moscato D'Asti rewinds to finer place, walking along 800-year old, stone streets in Alba at 11 PM in the crisp October air... Delicious, delicate sweetness that finishes semi-dry... a decidedly perfect ending to any evening
