

WHO ARE WE?

PROJECT FUTURES is a not for profit organisation whose objective is to end global human trafficking and slavery by empowering individuals to take action in their own communities.

We encourage and support victims of this crime by partnering with service providers in Australia and Cambodia in three key areas:

Prevention, Support Services and Empowerment

OUR VISION:

END HUMAN TRAFFICKING

- ① To raise awareness about the issue of human trafficking and slavery through innovative activities
- ② To raise funds to support anti-slavery projects in Australia and around the world
- ③ To influence the next generation to donate their time and talents for worthy causes, which will positively impact the global community

OUR PROJECTS:

AUSTRALIA:

[The Salvation Army's Trafficking and Slavery Safe House & The Freedom Advocates Project](#)

The Safe House provides supported accommodation for women who have been trafficked into Australia, as well as persons experiencing slavery or slavery-like practices (like forced marriage or domestic servitude). The Freedom Advocates Project empowers survivors to become advocates of change.

[Child Wise - National Child Abuse Prevention Helpline](#)

The Child Wise Protective Behaviours Program promotes empowerment strategies, clear communication and awareness of 'safe' behaviours for school-aged children in order to prevent them from becoming victims of abuse, particularly sexual abuse.

INTERNATIONAL:

[AFESIP Cambodia](#)

Founded in 1996, AFESIP Cambodia combats both the impact and the enablers of sex trafficking, slavery and exploitation of young women and girls through outreach, recovery programs, training and education, as well as the reintegration of survivors back into the community and their families.

[Cambodian Children's Trust](#)

Established in 2007, the Cambodian Children's Trust works with children and families in Battambang to become educated, ethical and empowered leaders in their community, supporting them to break free from the cycle of poverty.
