

EXPRESS YOUR GRATITUDE

PROJECT FUTURES encourages you to touch base and thank each person who supported you during your fundraising campaign individually. This is a great opportunity for you to let them know of the collective impact their contribution has had on ending human trafficking and exploitation.

It's also nice to share a photo if you've got one. For example, an image of your event and/or of you participating in a PROJECT FUTURES adventure.

Be sure to remind them that their kind donation is tax deductible!

The below template can help get you started:
