

AWAKEN YOUR CURIOSITY HOST OR SPONSOR A SCREENING

To help raise awareness and funds for PROJECT FUTURES

Films have power.

They have the power to transform and transport you to another time and place. The power - perhaps beyond that of any other medium - to shed light on an issue, awaken interest and allow us to experience what others feel, live and endure.

PROJECT FUTURES has used film on many occasions to help share our story, our cause and inspire people to take action.

These films are not your average blockbusters. They speak to an idea, they educate and inspire, and they offer a new perspective on how we think feel and act.

★ FILMS THAT ALIGN WITH YOUR STRATEGIC FOCUS

Gender Diversity | Education | Women's Rights | Labour Rights

★ POSITIVE BRAND EXPOSURE

Engage an educated, thoughtful audience who want to learn more about this space and the companies connected to it.

If you choose to host a screening at your place of work, local club or home, there is little to no cost involved.

If you would like to go BIG and host at a cinema, PROJECT FUTURES can provide the following support and expertise:

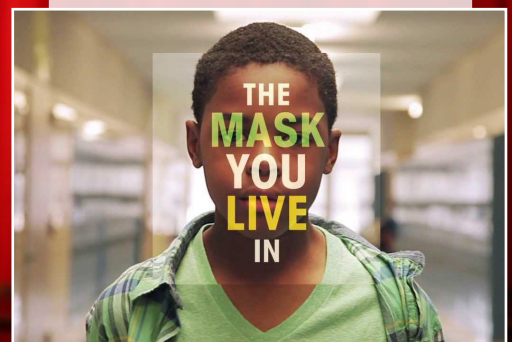

- Venue location and film selection
- Negotiate hire costs, catering and any licensing fees
- Promotional collateral and ticketing
- Market screening to PROJECT FUTURES supporters

Once rates are negotiated, sponsor is responsible for covering costs to allow 100% of ticket prices can be donated.

We sponsored two movie nights in 2016 in Sydney and Melbourne that showcased two beautiful films about the importance of educating girls. This is how we celebrated International Women's Day and our commitment as a company to gender diversity. PROJECT FUTURES are professional, efficient and make hosting events like this seem easy.

- Anastasia Konstantelos, Konica Minolta Australia
