

There is a time to play it safe and there is a time be daring. Now is one of those times!

In 2016, 40 willing Sydney business leaders took the ultimate leap of faith as part of **TOSS THE BOSS** and from a height of 14,000ft considered the issue of human trafficking from a whole new perspective. After such a successful start and \$60,000 collectively raised, we are doing it all again in 2017!

NOMINATE YOUR BOSS (or yourself) and help us challenge and change the belief that the 45.8 million men, women and children enslaved around the world today are expendable, disposable or undeserving of their basic human rights.
