**PROJECT
FUTURES**
END HUMAN TRAFFICKING

Looking for a uniquely thrilling way to unite your team, inspire your clients or engage with your suppliers on a whole new level?

TOSS THE BOSS is for you!

We have a number of scheduled skydives scheduled throughout the year, but if you LOVE the idea and don't want to wait, we can help organise an event just for you and your company.

REMEMBER, the jump is FREE when you fundraise a minimum of \$1500!

PROJECT FUTURES seeks to challenge and change the belief that men, women and children are expendable, disposable or undeserving of their basic human rights.

HELP US END HUMAN TRAFFICKING & SLAVERY, WHILE DOING SOMETHING FUN.

HOW IT WORKS

You tell us your preferred jump date and location*

We provide all information and materials to help promote your event internally

You recruit for the jump, but you can request a speaker to support if required

We set up a company fundraising page on your behalf and provide support

You tell us how many jumpers and we take care of the booking and logistics

Your nominated jumpers fundraise a minimum of \$1500 and have an unforgettable experience.

* Dates and times are subject to availability at time of booking. We recommend providing at least 3 months notice to secure your preferred timing and confirm final numbers four weeks out.

RECOMMEND JUMPING WITH A A MINIMUM OF THREE PEOPLE

TOSS THE BOSS IS A FANTASTIC WAY TO BUILD TEAMWORK AND HAVE FUN, WHILST RAISING AWARENESS OF HUMAN TRAFFICKING. EVEN THOUGH MANY WERE SCARED AT FIRST, OUR STAFF ENJOYED THEMSELVES AND FELT EMPOWERED TO MAKE A POSITIVE CHANGE.
