Where I've worked

- 2017 - present** **Arctic Fox Design, LLC** **Cottonwood Heights, UT**
 Founder and Designer
 Manage my own self-employed small business, serving a client network of around ten individuals and small businesses for their graphic design, web design, branding, and marketing needs.
- 2017 - present** **ProLung, Inc.** **Salt Lake City, UT**
 Digital Marketing Manager (present), Front-End Application Engineer (Feb 2017 - Sep 2017)
 Create digital and print marketing materials and resources for the company. Also contribute to ProLung branding standards and integrate design elements into the ProLung database UI/UX.
- 2015 - 2017** **SymbioCellTech, LLC** **Salt Lake City, UT**
 Clinical Research Assistant
 Assist with active laboratory research projects to fully develop a proprietary adult stem-cell based therapy to cure insulin-dependent Type I diabetes mellitus (Type 1 diabetes).
- 2015 - 2016** **Beta Theta Pi Fraternity** **Salt Lake City, UT**
 Vice President of Internal Programming & Philanthropy (2015, 2016)
 Oversee the planning and execution of events related to the philanthropy (Rape Recovery Center), community service, alumni relations, and recognition of the Utah chapter of Beta Theta Pi.
- 2014 - 2017** **University of Utah A. Ray Olpin Union Programming Council** **Salt Lake City, UT**
 Director of Marketing (2016-2017), Associate Director of Marketing (2014-2016)
 Create advertisements and promotional materials for the various UPC events throughout the year. Also assist with website maintenance, social media updates, and maintaining brand identity.

Where I've studied

- 2013 - 2017** **University of Utah** **Salt Lake City, UT**
 Honors Bachelor of Science in Biology | Minor in Chemistry | Minor in Computer Science
 Graduated Class of 2017 | Cumulative GPA: 3.84
- 2010 - 2013** **Skyline High School** **Salt Lake City, UT**
 Graduated Class of 2013 | Cumulative GPA: 4.00
