

Mission:

Situated on a 26-acre wooded campus in north Baltimore, Mercy High School is a private, Catholic, secondary school for young women sponsored by the Sisters of Mercy.

We provide a rigorous college preparatory education in an environment rooted in Christian values. Through our STEM programs, arts programs, the Catherine McAuley Honors Program, athletic opportunities, and many clubs and extracurricular activities, there is something at Mercy for every student.

We work to develop leadership, scholarship and social responsibility among a diverse group of young women through personal focus and a global perspective.

Our Event:

The Mercy High School Alumnae Association's 5K event, *Have Mercy on Our Soles*, is a celebration of all things Mercy.

Please join us Saturday, September 16, 2017 for the 5k run/walk or Magic Mile fun walk.

The course takes participants on a tour through the rolling hills and foliage of the nearby neighborhoods: Idlewylde, Idlewood, Stoneleigh, Anneslie.

This year we are excited to be partnering with our new race management company, Charm City Run, to ensure a spectacular event! Your participation will be seen by hundreds of participants, families, and spectators.

Please join us in this fun-filled, fundraising endeavor!
