

The Charm City Run Kids X-Country Series consists of seven races for girls and boys 12 and under. While top runners in each group win medals, the series is intended to be a fun, non-competitive, family-friendly introduction to running and all runners will "win" ribbons. Parents are welcome to run with their kids to encourage them and perhaps get a little exercise themselves! The fee for each event is \$6 prior to race day and \$8 on race day. Optional t-shirts for the children are \$8.

## Important Concussion Information

As with any sport, there is a risk of receiving a concussion. A concussion can occur when an outside force hits the head. Receiving a concussion puts you more at risk of receiving another concussion.

The signs of a concussion include: Confusion, delayed responses, dizziness, fatigue, headache, loss of consciousness, nausea, slurred speech and vomiting. Signs of a concussion can even show up days or weeks after the event that caused it. If you suspect your child may have received a concussion please let Charm City Run or medical staff know as soon as possible. It can take days or weeks to recover from a concussion and while healing your child is at an increased risk of receiving another concussion. It is recommended to gradually return to sports under management of a health care professional.

If after a concussion your child exhibits signs like an enlarged pupil, a worsening headache, decreasing coordination, increasing confusion, restlessness or agitation, and/or other unusual behavior please seek medical attention immediately.
