Grief Recovery After Substance Passing (GRASP) was created to offer understanding, compassion, and support for those who have lost someone they love through addiction and overdose.

Too many times we suffer not only the death of the person we love, but we become isolated in our grief. We feel, and too many times it is true, that no one understands our pain. But at GRASP, we do. We have suffered the same kind of loss and we have found the love and connection that only those who have lived this loss can give another. While the pain of this loss will always be with us, we have found through GRASP that we don’t have to walk the road that is our pain alone. We walk it together; hand in hand and heart to heart.

Please come, join us and become a part of the healing community that is GRASP.

Meets the 2nd Tuesday of every month 6:30-8:00pm
