Retaliation Against Illegal Drugs

## BREAKING THE WEB

http://www

R.A.I.D. Corps, Inc is pleased to offer the all new "Breaking the Web" seminar to our clients. The seminar is designed to teach participants how to navigate areas of the internet that can be used to find valuable information. Across the country, people knowledgeable about certain internet sites have been able to uncover drug trading, terror plots, and sexual predators. Breaking the Web will make participants aware of where to look and how to gain access to critical information.

- **Learn to navigate personal web logs (blogs).**
  - **Increase awareness of your environment.**
  - **Learn instant messaging language and abbreviations**
    - **Protect your children.**
  - **Detect and prevent criminal activity that may affect you.**
- ...DO IT LEGALLY, SAFELY, AND LIMIT YOUR LIABILITY!**
