

BATHER RULES paraphrased from New Jersey Sanitary Code - Titles 26, Revised Statutes of New Jersey NJAC 8:26 1-8.9 - Public Recreational Bathing 8:26- 5.4(a)3, 4, 5, 6,7,8, 9, 10 and 11, and 5.4(b).

1. Do not enter the water if you are experiencing or recovering from diarrhea or have had any signs or symptoms of a gastrointestinal (stomach) disease within the last 7 days.
2. All children who are not toilet trained or are in diapers must wear plastic pants or diapers with snug fitting elastic waist and leg bands to contain feces to avoid contaminating the beach and lake. Do not wash soiled diapers in the lake water or bathing area.
3. Children should be encouraged to use the restroom before entering the water. Immediately report any "accidents" you observe in the swimming area or on beach.
4. No animals, except for service animals, shall be allowed in the beach enclosure.
5. Glass containers are prohibited.
6. Any conduct which endangers the safety and comfort of others shall be prohibited and could result in being expulsion from the beach.
7. Outdoor bathing shall be prohibited during an electrical storm.
8. Persons suspected of being under the influence of drugs or alcohol shall be prohibited from entering the water or beach area.
9. Policies and procedures regarding water toys and floating devices shall be established to ensure a safe bathing environment.
10. Bathing area shall be designated by buoys, flags, or other methods approved by the health authority. Swimmers must remain within the designated area.
11. No one under the age of 12 will be allowed onto the beach area unless accompanied by an older (over 16) supervisor who remains at the beach.
