

Stratevi Job Opening

Associate Manager/Manager/Senior Manager

Who We Are

As the name 'Stratevi' suggests, we seamlessly combine Strategy and Evidence. We are a new and exciting firm that partners with biotechnology, pharmaceutical and medical device companies to creatively develop and communicate evidence to drive value and ensure optimal access to therapy for patients. Watch our 2-minute [video](#) to learn more!

The Opportunity

Stratevi is experiencing an exciting period of growth and is looking for great talent with expertise in health economics, outcomes research and market access to join our team. This position can be filled up to a Senior Manager level (title commensurate with level of experience) and is based in our Boston, MA office, which is housed in a creative office in the heart of the city. This is a unique opportunity to work with and learn from seasoned professionals that each have 20+ years of experience in the healthcare industry.

Potential responsibilities include a wide breadth of activities that may involve supporting projects focused on strategic planning, value proposition development, outcomes research study design and execution, modeling, analysis, literature review and scientific communication activities.

Who You Are

You have either an advanced degree (PhD, PharmD, MD or MS) and work (or internship) experience in HEOR or related positions.

Your background includes helping develop product value stories, designing studies, building economic models, conducting retrospective claims analysis, reviewing and synthesizing literature, and/or leveraging HEOR data in a market access capacity. In addition, you have expertise with at least one of the following: Excel/VBA, TreeAge, SAS, STATA, SPSS or R.

You also have a strong attention to detail and great communication (written and oral) skills. You like working in a team environment but can also manage projects with minimal direction once up to speed. You bring passion, curiosity & creativity to everything you do and are eager to work in a flexible, high-growth environment.

Why Stratevi

We love solving difficult problems for the most innovative products and take pride in the impact that our work has on patients. We work across a broad spectrum of disciplines such as HEOR, market access, commercial and scientific communication. As a new firm we are focused on developing a strong culture, and we love to collaborate while having fun together as a team. We are looking for someone who is excited about joining and contributing to the growth of Stratevi.

We are recruiting high performing talent with the potential of taking on leadership roles of increasing responsibility over time. We offer a competitive salary and a full benefits package.

To Apply

If interested, we encourage you to send your resume and cover letter to **careers@stratevi.com**.

Disclaimer: The above statements are intended to describe the general nature and level of work being performed by people assigned to these job classifications and are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of personnel so classified. All personnel may be required to perform duties outside of their normal responsibilities from time to time, as needed. All positions are at will, which means that they can be terminated by the employee holding the position or by Stratevi, LLC at any time with or without cause or notice. Stratevi, LLC is an Equal Opportunity Employer.
