Kamaria Laffrey

International HIV Advocate | Speaker | Champion
embrace healing | give inspiration | live victoriously

Featured In:

Kamaria Laffrey is an international HIV advocate, speaker and consultant. Since her diagnosis in 2003, Kamaria has worked to empower others living with the virus and at risk to look beyond the stigma of HIV by challenging self-esteem, abandonment, distrust and other barriers towards healing, inspiration and victorious living. In sharing her personal expertise, Kamaria provides individuals and groups the platforms needed to have conversations that will change how stigma is addressed. Through her public speaking, one on one peer counseling, workshop development, social media outreach, and program consulting, Kamaria emphasizes empowerment, sexual responsibility, and development of spiritual principles for individuals all over the world.

Campaigns:

Serving as the founder of emPOWERed Legacies, a personal development consultancy that addresses the accountability, adherence, and awareness of life beyond an individual's HIV diagnosis; Kamaria is able to provide insights that address living a life in victory instead of a victim.

9 years + 1 story = over 250,000 lives impacted!
