

## A Disciple Maker's Inventory

The eight core values of faithful disciples are defined below. Read through each one with your disciple and evaluate together on a scale of 1-5

Think through why you scored what you did and write a short justification clarifying points of strength and need for growth in each area. Then write one thing your disciple could do to deepen that quality in his or her life.

Score 1: The concept is new, never thought of that before.

Score 2: Has some awareness, but has never really put it into practice

Score 3: Has some familiarity, but really hasn't developed a regular pattern or lifestyle around the core value.

Score 4: Has a strong grasp of the importance of the core value and models a consistent pattern of behavior around it.

Score 5: In addition to a clear pattern of behavior, is able to use the Bible to help others understand the centrality of the core value in life.
