THE HISTORY OF LOCANDA DEL LAGO

Since Locanda del Lago's opening in April 1991, the restaurant has established a reputation for producing authentic cuisine from Northern Italy's Lombardy region.

Featuring specialties from Milano and Bellagio on Lake Como, the restaurant continues to attract celebrities, locals and travelers alike by offering exceptional food and first-class service. West Hooker-Poletti and Chef Gianfranco Minuz preside over the restaurant with Director of Finance & Marketing Megan Heritage. Lago's comfortable, warm atmosphere and sidewalk patio evoke the charm of an Italian "locanda" (inn or trattoria) "del lago" (of the lake).

Today, Lago continues its ongoing efforts to utilize locally sourced ingredients, use "green" practices when possible and promote sustainability as a business and community leader. In addition to the regular menu, Lago offers a "Chef's Seasonal Menu" available every night featuring the most flavorful, organic ingredients from the nearby Santa Monica Farmers' Market in conjunction with all-natural, free-range & hormone-free proteins. The last Thursday of every month, LAGO hosts a communal meal featuring whole animal roasts and traditional, rustic dishes entitled "Morso della Bestia" translated to Bite of the Beast. This dinner series features the choice animal paired with wines and seasonal ingredients from the farmers' market. Lago is the proud recipient of the Marchio Qualita "Q", a prestigious award given following a rigorous selection process to a select few restaurants for specializing in authentic, regional Italian cuisine.

"Our menus are rooted in the authentic cuisine of Lombardy and evolve from it to create a balanced selection of dishes that take full advantage of the best flavors of the season, the best specialties of Lake Como and the availability of spices, fruits and vegetables in Los Angeles that may not be common in Italy. We focus on staying true to the flavors and ingredients of our region and introduce our guests to the style of Italian cuisine that I know best from growing up there. At the same time, we strive to improve every aspect of our restaurant, every day, one day at a time."

West Hooker-Poletti
