Mr. Stephen Keledjian
Eastern States Components
108 Pratts Junction Rd.
Sterling, MA 01564

Mr. Stephen Keledjian

Re: Qualified Testing Suppliers List (QTSL), Qualification Notice, FSC 5961 and 5962,
CAGE: 0R708, VQ(VQC-21-036131), CN: 076632

This Center has reviewed the QTSL application and all the required documents per the QTSL application for Eastern States Components. At this time, a qualification audit would normally be performed to determine your eligibility to join DLA Land and Maritime's Qualified Testing Suppliers List (QTSL) program. Due to mandated travel restrictions brought about by the COVID-19 pandemic a qualification audit cannot be performed at this time. With these extraordinary circumstances in mind the Sourcing and Qualifications Division (VQ) of DLA Land and Maritime has decided to grant an interim qualification based on our review of your documents, follow-up questions, data, and your current qualification in the QSLD program. Your facility, CAGE Code 0R708, is considered a qualified distributor eligible to supply FSC 5961 and 5962, military and commercial grade product, as dictated under the Criteria and Provisions documents for the QTSL program. Per your application, all devices are to be controlled and managed from your Sterling, MA location. No other locations for your company are qualified under this program. This qualification is being issued with the stipulation that our auditing team will be granted access to audit your facility at our earliest convenience once travel restrictions are lifted.

This qualification is valid for three years from the date of this letter and can only be terminated by written notification from this Center. For the duration of the qualification period, the distributor is subject to periodic reviews by this Center or its representatives and agrees to meet the requirements set in the Criteria and Provisions document for the program. At the end of the three year period, your company must resubmit an application to remain in the program. This will be due 60 days after May 01, 2024.

If you have any questions, please contact Mr. Paul Granchi at (614) 692-9975.

Sincerely,

ROBERT M. HEBER
Chief
Sourcing and Qualifications Division
