

premium garden mix

Product Overview

Our Premium Garden mix is a high quality, versatile mix, suitable for most plant varieties. This premium product is perfect for established garden beds in need of additional nutrition.

Product Benefits

- Active wetting agent to aid water distribution and protection against plants drying out.
- Excellent water holding capacity so that the plant does not stress in extreme conditions.
- Used and recommended by horticultural professionals
- Contains coconut fibre (Coir) to enhance and improve the mix structure. Also contains composted pine bark that has undergone a 12 week composting regime.

Manufacturing Process

Manufactured by Grange Growing Solutions, the largest growing media supplier to professional growers in N.S.W. Grange Growing Solutions has three quality assurance certifications attached to their sterile operating facilities, and is a proud supporter of the nursery and garden industry.

Our quality plan and in house laboratory ensures consistency in all Grange Garden Health products.
