

vegetable & herb mix

Product Overview

Grange Garden Health Vegetable & Herb Mix supports organic principles and is manufactured to NASAA organic guidelines. As testament to the product's high quality levels, our Vegetable & Herb Mix is used and recommended by professional horticulturalists.

Product Benefits

- Suitable for all vegetable and herb varieties.
- Enriches soil.
- Active wetting agent to aid water distribution and protection against plants drying out.
- Excellent water holding capacity so that the vegetables and herbs do not stress in extreme conditions.
- Manufactured using organic production methods.

Manufacturing Process

Manufactured by Grange Growing Solutions, the largest growing media supplier to professional growers in N.S.W. Grange Growing Solutions has three quality assurance certifications attached to their sterile operating facilities, and is a proud supporter of the nursery and garden industry.

Our quality plan and in house laboratory ensures consistency in all Grange Garden Health products.
