These sermons approach the intersection of the music and the Word, discussing how it speaks to the broader culture. Today’s message, “Heathens,” addresses the relationships we have with those outside of the Christian community.
- ❖ Join the young adults on Wednesday evening in the Corner House for #DeuceTalks—a weekly time of engaging discussion.

ET Youth Ministry

Tom & Missi Trask, Columbia, Missouri Chi Alpha. 10 years ago we were able to purchase a building across the street from the campus. Today I'm excited to say that we have just under \$40,000 left to pay off. A anonymous donor will do matching funds meaning if the ministry raises \$20,000, he would donate an additional \$20,000. So that means if we can raise \$20,000 he will match it and Chi Alpha will completely pay off the mortgage. **Will you prayerfully consider making a special donation or a monthly faith promise to help us get to that goal?**

Nathan & Beth Davis, AGWM Compassion Link: Pastoral Care International. A few weeks ago, in Central American country, a pastor sharing the gospel on a public bus was shot and killed by local gang members. This tragic event was only a few miles away from the location where we were teaching our Crisis Recovery Seminar. Pastors, church leaders, and ministry students gained not only valuable information, but actively participated in practice sessions enabling them to teach, counsel, and debrief others. Each of the 8 seminars concluded with participants looking forward to using their new-found skills in churches and communities throughout the city. Continue to pray for our dear brothers and sisters in Central America.

Galen & Dickie Hertweck. *Training Future Leaders of Asia Pacific*. We are back in the USA from the Philippines for a short itineration. It has been a very busy but wonderful time! During itineration we visit churches and share our ministry and our vision...inviting the churches to partner with us in prayer and finances. Please pray that we will be successful and can return to the Philippines fully funded.

Thank you, ET, for your prayers and financial support.
