

**August 13, 2017**

**Today**, Pastor Charlie will be preaching in the 9:00am service, continuing the Habitudes series. Today's topic, "Where Are You Going?" focuses on discipline (1 Corinthians 9:24-27). Today's Image: A Bridge.

**Commissioning Service** In the 10:30am service, we will be commissioning missionary associates Tyler and Christie Peterson as they prepare to serve in Taiwan. Christie (Gangwes) was raised here at ET. A special offering will be taken in the 10:30am service for them. If you would like to give toward their ministry budget, please write "Peterson Missions" on the memo line of your check and make the check payable to Evangel Temple.

### MINISTRIES

#### ET Christian Education Ministry

- ❖ Our Adult Christian Education ministry is a foundational part of the DNA of Evangel Temple. These classes are often one of the first reasons cited as to why someone has made ET their church home. Right now, we are in need of a **new coordinator** for one of our long-running classes that meets at **10:30am each week**. If you are willing to serve or would like more information about this opportunity, please contact Pastor Isaiah ([Isaiah@etchurch.org](mailto:Isaiah@etchurch.org)).

#### ET Young Adults Ministry

- ❖ This summer, the Barn has been a part of the 10:30am service in the Battlefield sanctuary and it has been great to see how God has moved in the community. In the Fall, the Barn will continue meeting in the sanctuary at 10:30am. This is an exciting opportunity that aligns with core values of the Barn ministry to foster community and provide opportunities to serve. Feel free to reach out to [Yisrael@Etchurch.org](mailto:Yisrael@Etchurch.org) with any questions.

#### ET Youth Ministry

- ❖ **Fine Arts** Welcome back our National Fine Arts participants! Be watching for a rundown of all the category results.

#### ET Kids Ministry

- ❖ Today's Kids Church sermon topic: Jesus Has Power Over Evil (Mark 5:1-20).

#### ET Developmental Learning Center

- ❖ Did you know that at DLC, NO child is expected to perform any task for which he or she has not developed readiness. Children are taught at their own level of development, and are carefully monitored by the teachers.
