Light for the Lost (LFTL) serves to empower the church to provide God's Word to every person on the planet. Providing a variety of resources such as audio, visual, and printed materials, LFTL has one guiding principle: all Light For The Lost assistance must be to provide resources directly related to evangelism.

LFTL is dedicated to sharing the message of Christ globally and is resourced by congregations from all walks of life. Through the generous giving of churches, individuals, and businesses, LFTL is assisting missionaries and missions projects around the world with evangelistic resources to share the message of hope.

What a great and **delicious** way to spread God's Word. See you at the picnic!

FILL A BAG FOR KIDS!

Food bags provide nutritious meals for children over the weekends, when they might otherwise go hungry.

Field Elementary Weekend Backpack Program

provides children with a bag of child-friendly food items to take home every Friday of the entire school year. More than 1,600 children in 60 schools in Springfield and across the Ozarks benefit from programs like the Field Backpack Program. Please help us feed kids by filling a grocery bag with items from the list below and placing the bags around the piano in the ET south lobby. We will collect backpack items during the entire month of September. Remember: small, individual-size items work best. Our backpack kids carry their items home so the items need to be small enough for kids as young as kindergarten-age to carry, open and prepare without the help of an adult.
