

Fall 2016-2017 After School Program Description

****All clubs run for 10 sessions, beginning the week of September 19th, 2016****

*****Please be aware of your specific club's schedule, as not all clubs will end on the same week. Check the chart, below club descriptions, to find your 10 session schedule*****

Monday

Sports Club – Mr. Tramontana & Ms. Luckie (2:30-3:30)

Join Mr. T and Ms. Luckie for some sport activities and specific skill work. During our 10 sessions, we will explore sports like hockey, baseball, basketball, soccer, baci ball, golf and many more. We will explore specific sport skills, like swinging a bat or kicking a soccer ball to a target, and then play a game which reinforces the skill introduced. Participants will be able to transfer these skills into the gym class or at the park, outside of Parkside. All ages are welcome and snack is included (please specify if your child has a food allergy).

(12 child maximum for this group)

Cartooning- Mrs. Behar (2:30-3:30)

Cartooning is back! Students will start off each class by enjoying a quick stop-motion cartoon while eating their snack. Then they will learn to use the iPad to create original stop-motion cartoons working together in small groups. They will also each have their own blank comic book sketchbooks to plan out their cartoons, and create original comics. There is an additional \$10 materials fee.

Tuesday

Adventure Activities – Mr. Cruz & Mr. J (2:30-3:30)

Adventure Activities is a high energy program with the emphasis on “FUN”. Activities are tailored to meet the individual needs of each student. Sports, exercise and music will be combined with play, promoting sportsmanship with an underlying focus on body regulation. This program takes place both indoors and outdoors (weather permitting). Activities may include obstacle courses, scavenger hunts and nature walks, to name a few.

Wednesday

NO AFTER SCHOOL

Thursday

Playdate - Samantha Kramer (2:30-3:30)

This group will provide a structured and supportive opportunity for children to continue to develop relationships facilitated by a teacher with developmentally appropriate game and activities. Teacher will provide healthy snack, transition and help create a group plan for the playdate (for example teacher and students will pick game and activities based on student interests). Playdates will take place at Parkside in the multi-purpose area or gym (depending on activity planned for the day). This will be Samantha Kramer third year at Parkside as a shadow teacher and has a Masters in Social Work with a focus on groups.

(4 child maximum for this group)

Friday

"Be a Fitness Star" – Mr. Tramontana (2:30-3:30)

We are back, and your child can be a fitness star! We will spend 10 weeks practicing fitness movements and eventually recording and editing our own personal fitness video. This video is very special, as it will be available to all parents and students. Our personalized fitness video is also commonly used in the classrooms when students need a movement break. Not only is it fun to watch with friends, but it's more fun to be on the screen. Snack is included before we get to work. If you would like the link to our last video, e-mail Mr. Tramontana

[\(\[mtramontana@parksideschool.org\]\(mailto:mtramontana@parksideschool.org\)\)](mailto:mtramontana@parksideschool.org).

(4 child maximum for this group)
