Have you seen the packages in our brochure or on our website? Below is a detailed breakdown of the features in our wedding packages so you know exactly what you're getting when you go with Tranquility Collective.

## The Land

Tranquility Collective provides a perfect lush, green, countryside setting to your wedding. It is conveniently situated near Northampton with easy access from the M1.

## Marquee Hire and Dressing

We source our beautiful classic marquees from a very reputable Northamptonshire hire company and provide a catering tent, Portaloos and a generator as standard. The marquee is fitted with cream carpets and a dancefloor. Extras like a walk way or tunnel can be added for a fee. Your marquee is dressed to perfection in one of three styles:

### Traditional

The classic minimalist approach with white table cloths & chinaware, classic wine glasses, silver cutlery and cream chiavari wedding chairs.

### Vintage

A country-rustic feel with vintage white chiavari chairs, enamel vintage plates and mugs, silver cutlery tied with natural twine, rustic canvas napkins and a flower centrepiece on each table.

### Luminous

Similar to the Traditional style but with charming lighting draped from the marquee ceiling and each table adorned with an elegant candle centre piece.

## Catering

We provide an amazing Hog Roast feast for 50-150 people which comes with a range of delicious sides:

- Seasoned vegetables
- A salad of choice
- New Potatoes
- Freshly baked bread
- Apple sauce and chutney side
- Hot dogs & Burgers
- Vegetarian option

If you desire a three course meal or anything else we can negotiate the best price to provide the catering you want. This is an extra charge outside the allocated packages.

## Live music and DJ

We have a special rate with E-bands who provide our live musicians and Dj services with music styles ranging from soul & pop to 80's classics. A PA system for speeches is included and digital projection facilities can be arranged. Our music license runs until midnight.
