INTRO: | E A/C# | E | E A/C# | E | E A/C# | E | E A/C# | E |

## VERSE 1:

E A/C# E  
I was broken sold into bondage  
E A/C# E  
With shackles and chains around  
A2  
But You never left my side E A/C# E  
You never left my side

E A/C# E  
I was broken sold into bondage  
E A/C# E  
All these fears and pains around  
A2  
But You never left my side E/G#  
You never left my side.

## CHORUS 1:

E B A A2  
Now You've given me eyes to see  
E B A A2  
And You're calling me to go  
E B A A2  
I will walk this faithful path You lead  
C#m B A  
And I will bring it all to You  
C#m B E  
Yes I'll release it Lord to You

INSTRUMENTAL: | E A/C# | E | E A/C# | E |

## VERSE 2:

E A/C# E  
I was broken sold into bondage  
E A/C# E  
With shackles and chains around  
A2  
But You never left my side  
E A/C# E  
You never left my side

E           A/C# E  
I was broken sold into bondage  
E           A/C# E  
And this sorrow and shame surround  
                                  A2  
But You never left my side  
                                  E/G#  
No You never left my side

### CHORUS2:

E        B            A    A2  
And You've given me eyes to see  
E        B            A    A2  
And You're calling me to go  
E        B            A    A2  
I will walk this faithful path You lead  
C#m     B            A  
And I will bring it all to You  
C#m     B            E  
Yes I'll release it Lord to You

### BRIDGE:

C#m   B            A    E  
Like water on the Nile  
C#m   B            A    E  
You carry me to my new home  
C#m   B            A    E  
Like stars up in the heavens You reign  
B                    B/D#            B7/D#  
I was never once alone

### CHORUS3:

E        B            A    A2  
(Now) You've given me eyes to see  
E        B            A    A2  
And You're calling me to go  
E        B            A    A2  
I will walk this faithful path You lead  
C#m     B            A  
And I will bring it all to You  
C#m     B  
Yes I'll release it Lord to You

### REPEAT FULL CHORUS

ENDING INSTRUMENTAL: | E A/C# | E | E A/C# | E |
