

Summary of Compliance Procedures

The Board has adopted Compliance Procedures to assist it to comply with its ASX Listing Rules and AIM Rules for Companies disclosure requirements. Under the Compliance Procedures, a Responsible Officer is appointed who is primarily responsible for ensuring the Company complies with its disclosure obligations. The duties of the Responsible Officer are set out in the Compliance Procedures. The Compliance Procedures provide guidelines as to the type of information that needs to be disclosed and encourages thorough recording of disclosure decision making. The Compliance Procedures contain information on avoiding a false market, safeguarding confidentiality of corporate information, and information on external communication for the purpose of protecting the Company's price sensitive information. The Compliance Procedures also provide guidance relating to potential disclosure material.
