

Specification Sheet

6watt Recessed Round Light

Model No.

RS-SRR3, RS-SRR3-BC, RS-SRR5, RS-SRR5-BC

The REDi-lite 6watt small recessed downlight was designed with emphasis on both aesthetics and performance.

When combining a superior finish with the exceptional performance of Cree LED's you have a light that lasts for many years suiting almost any application.

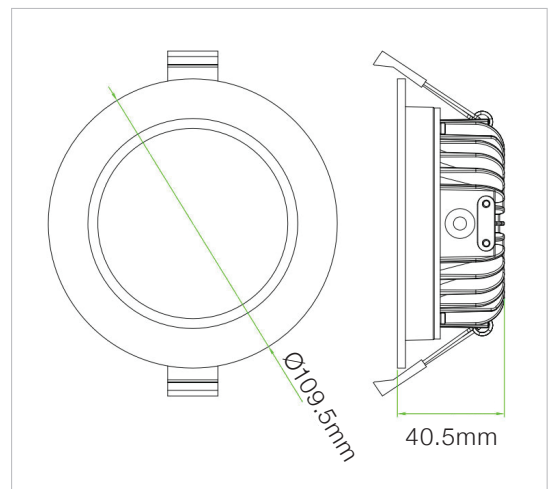

Note: 'The 4way junction box is to be used in conjunction with the 6watt downlights only. All 4 x 6watt downlights plug into the junction box first to create a 24watt load, the junction box lead is then plugged into the REDi-lite Driver'

Specifications
