

We want to hear from you.

While this project is led by the Landscape Connections Trust, it belongs to the community. Fill out the questions below to provide us with valuable guidance to strengthen our practice and presence in the community.

What do you think of the goals for the Halo Project?

.....
.....

How can we better work with our community to achieve these goals?

.....
.....

What additional opportunities would you like to see for community engagement with the Halo Project?

.....
.....

Love your patch? Help defend it.

If you're keen on learning more or getting involved, indicate your interest in one or all of our volunteer opportunities and we'll be in touch with more information.
